ATER'S SARSAPARILLA has demonstrated its power of care for all diseases of the blood.

The Harpooner's Story.

Jim Bedford, June 1, 1883.

Dr. J. C. ATER & CO.—Twenty years ago I was a karpooner in the North Pacific, when five others of the crew and myself were ladd up with securry, Our bodies were blooted, gumes swollen and bleeding, both loose, purple blotches all over us, and our breath seemed rotten. Take it by and large we were pretty badly off. All our lime-blines was arcidentally destroyed, but the captain had a couple dearn bottles of ATER'S SARSAPARILLA and give us that. We recovered on it quicker than I have ever seen men brought about by any other treasment for Secury, and I've seen a good deal of it. Seeing no mention in your Almsnace of your Sarsaparilla being good for serney, I thought you ought to know of this, and so send you the facts.

Respectfully yours, Ralfur Y. Wirkaats.

Masen, Bannbland (S. Africa,) March7, 1883.
Dn. J. C. ATER & Co.—Gentlemen: I have
much pleasure to testify to the great value of
your Sarsaparilla. We have been stationed
here for over two years, during which time we,
had to live in tests. Being under canvas for
such a time brought on what is called in this
country "veldt-sores." I had those sores for
some time. I was advised to take your Sarsaparilla, two bottles of which made my sores
disappeur rapidly, and I am now quite well.
Yours truly,
T. K. Bolers,
Trooper, Cape Mounted Eifsemen.
