

Miss Emma Montel, the queen of colored vocalists, is with McKanlass' jubilee company, and she will sing "Coming Thro' the Rye" Saturday, July 3, at the U. S. Hall. Don't fail to hear her.

THE HOE LAW.—There were 809 votes cast at the last election in Douglas county for swine raising at large, and 707 against, therefore the hogs have a majority of 102 votes to root where they please. Three cheers for the hogs.—Roseburg "Review."

THE FOURTH.—The 3d of July will be celebrated at Astland, Phoenix and Eagle Point, and the same thing will be done on the 5th at Fosta Creek, Gold Hill and Grant's Pass. Jacksonville does not celebrate this year and our citizens will distribute themselves among the outside precincts on the days mentioned.

A BIRD.—The Baird minstrel troupe with twenty-two members gave a show here last Tuesday evening to a good sized audience. Sixteen of these composed a brass band and gave us some fine music both in the parade and at the show. We believe we speak the sentiments of the audience when we say that outside of the music they show was a grand fraud and those who paid a dollar admittance are now being laughed at by those who listened to the music from the outside.

Too LATE.—Col. John L. Burns, the well known traveler for the liquor house of E. Martin & Co., has been selected as President of the day for the Fourth of July barbecue and picnic to be held at Gagetown on Monday next. Judging from the list of names that all subordinate positions at the celebration we would conclude that Crescent City will be deserted on that day. If all attend who are named it will prove a love feast that we could appreciate with old-time friends but our absence must be accounted for on the ground that John L. failed to send his balloon over in time for us to get there in time.

NOT YET DECIDED.—The report received by private telegram last week that the President's order for the abandonment of Fort Klamath had been revoked was premature. The order was suspended to await an investigation of the matter, and is still in that situation. One company of troops, the infantry, has started for Omaha, as ordered; the cavalry company remains at the post still. It doesn't seem likely that the post will be abandoned, after the facts are all made known to the War Department, but as yet the order for removal of troops has not been finally revoked, and the people of Klamath county are still anxious about the outcome of the affair.—"Tidings."

STRANGE CASE.—A man named Evans, a mining partner of Richards the jeweler, had an attack of epilepsy last night and stood in one position near Johnny Ramsdell's place on Rich Gulch all night unable to move. He was noticed there early in the evening and this morning he was still standing in the same position when Fred Lay and several other parties tried to walk him back to town. Finding him unable to navigate they packed him to town and under the treatment of Dr. DeBar he recovered in a short time. The report that he has since come back to the same place and was standing there as before in without foundation, and Lay has positively refused "to go up after him any more" even if such should be the case.

HALF FAIR TO CREEK LAKE.—It is more than probable that those tourists who will visit Creek Lake this summer will have the benefit of half fares over the Oregon and California railroad. They will pay full fare to Astland or Medford, and when they arrive at the lake, W. G. Steel will furnish them with a certificate, upon which they can return to Portland free of charge. He will not be located at any special spot, but will be sounding on the lake and can easily be found. From Astland a person can go by stage to Fort Kliffmuth, which is twenty miles from the lake. Leaving Medford and following up Rogue river, the distance of eighty-five miles over an excellent wagon road, and the scenery is superb. The large boat to be used in the sounding by Mr. Steel's party will be finished to-morrow, and all the necessary apparatus will be shipped from here by the first of July.—Portland "News."

Rev. J. R. Roberts will preach in Jacksonville Sunday, morning and evening. A liberal Sunday school and Bible class meets every Sunday at 11 o'clock a. m. at the U. M. L. Hall, Talent. Rev. A. R. Bickenbach will hold services at the Presbyterian church in Phoenix Sunday, and in this place in the evening of the same day. A protracted meeting will be held at the Antioch school-house, commencing Thursday evening, July 1st. Rev. J. A. Shover and Willis Alden officiating. The following are Elder M. Peterson's appointments for the month of July: First Sunday, at Mount school house, 11 o'clock a. m. Second Sunday, at Grant's Pass and at Woodville at 5 o'clock on Saturday evening before. Third Sunday at Central Point, and the fourth at Medford.

The Grand Jury at Albany on Wednesday indicted Miss Mattie Allison for complicity in the killing of Cass. Campbell on November 4, 1885. Yesterday she pleaded not guilty to the charge. "I saw," said a New York bull, as she laid down the paper and took up her fork with a piece of toast attached, "that they complain a good deal that Gen. Miles has not got on General's trial. Our Bros. of the Rogue River "Courier," very truthfully say, and the advice will apply to this as well as every other small town on the coast, "Either run a town with vim or just let it run and leave it. One of the two things must be done—run a town for it's worth, get up steam and keep it up—or quit the whole thing, side out to let Nature take her course. Do you want trade? Bid for it. Do you want business to come to your town? Encourage those who do come. Do you want a prosperous town where people can come who are disposed to make a home? Then bury from eight all night work—work up a corner for a few individuals, but all work together for common prosperity and mutual benefit."

The following personal item which was handed to this office, will probably be of interest to many readers: Hon.
