JUSTICE'S OFFICE.—The Justices of the peace of G. A. Hubbell, Justice of the Peace will be found at the accustomed Justice's place—The Town Hall.

MINE SOLD.—The Green Bro's quartz ledge at Onice creek was sold for cash to a company of capitalists of Portland for a round sum. The new owners propose building a road to the mine to cost about \$4000 and will push everything in like proportion. We failed to learn the exact amount paid for the mine.

THE NEW MILL.—Henry Klippel made his mill purchase in Portland giving or doing for machinery not on hand and when completed it is expected to be the best quartz mill in the State. The building on Jackson creek is nearly finished and the machinery is expected to arrive next week. It will not take long till everything will be in working order.

ROBUSTIC.—H. K. Hanna and family, Dr. J. W. Robinson and family, Mrs. J. Nason, and family, Mrs. John Tooper, A. L. Renter and family, T. T. McKenzie, Frank Krause, Chris. Wintjen, Esler Band and Wm. Deniff, all from Jacksonville had possession of Wagner's Soda Spring for a week past. Most of them have since returned.

COUNTY FAIR.—The starting of a county fair is being agitated by our citizens and a meeting of the people of the county is called for next Saturday evening to discuss the matter and to devise ways and means to carry it out. This is something that should have been done long ago and as we have sufficient of every thing to make a grand display it will no doubt prove a success when once started.

GOOD APPOINTMENT.—Last Thursday Thos. G. Reames of this place received official notice that he had been appointed Postal Inspector for the District of Oregon a position that he has since informed us he would accept. Mr. Reames is a live, wide awake business man and the selection made pleases his many friends in this end of the State. It will probably be several weeks before he takes charge.

ATTEMPTED SUICIDE.—An inmate of the county hospital who was admitted to that institution only a few weeks since, attempted to commit suicide by cutting his throat with a razor while in the vicinity of Karewski's mill in the southern part of town but was prevented from committing the rash act by Marshal Curtis and J. DeRobosom who had been hunting him up. He was examined by a physician and returned to the hospital. He is evidently insane.

RAILROAD RACKET.—It is now definitely known that the railroad company will, at an early date run another survey through Yreka. A prominent railroad official writes the "Union" that it is not the intention of the company to leave Yreka to one side if a practical route can be obtained, even if the expense of the construction should cost considerably more than via Willow creek. The letter conveys the idea that a bonus would be expected from Yreka all the same. The grading forces are working north and south in the Big Canyon and will soon meet. The great headway being made by these forces and Scobie's masons, leaves no doubt as to the track being laid to Berryvale by November 1st.

RELIGIOUS ITEMS.—Rev. F. X. Blanchet will hold divine services at Ashland on the coming Sunday. Services are being held in few of the churches at present, the ministers taking their vacation. Liberal Sunday school and Bible class meet every Sunday at 11 o'clock a. m. at the U. M. L. Hall, Talent. A camp meeting will be held at the Antioch school-house on the fourth Sunday in this month, under the auspices of the M. E. Church, South. All are invited. The last quarterly meeting of the M. E. Church, South, for this district will be held at Brownsboro on the third Sunday in August. A camp meeting will commence at the same place on the Tuesday before the 12th inst. The meeting which has been progressing at the camp grounds on Roppe river will be continued next Sunday, Elder Messick will preach in the forenoon and his subject will be: "The life of the Soul of Man." Elder Peterson's afternoon discourses will be on "The Worth of the Soul."

INCENDIARY FIRE.—The house on the cross road—this side of Medford, occupied by Doc Rose and owned by Mr. P. O. was set on fire by a tramp last Thursday night and the building and its contents were burned to the ground proving a total loss the occupants barely escaping with their lives. A young boy and some smaller children were alone in the house at the time when about 12 o'clock a tramp rapped at the door and asked for something to eat. The boy answered that he was alone and being in bed would not give him what he wanted. The tramp then responded by saying if he did not get something to eat at once he (the boy) would have no place to sleep the rest of the night. The boy made no further reply and in less than ten minutes thereafter the building was in flames with the above result. The loss does not amount to a great deal in figures but nevertheless takes nearly all the occupants had making it just as severe as if it had been in the thousands. No clue of the guilty party has yet been found as the boy never seen the man. Hanging would be good for such a wretch as he.

Fire in Yreka.

Says the Yreka "Union": Last evening at 9:30 Clay Jones discovered flames rolling up at the rear of Tip Kee & Co's store, on the west side of Main street, south of Miner. The firemen were promptly on hand but by the time the engines were working, all the Chinese rookeries on the west side of Main were ablaze and Russell's marble works and Vance & Wallbridge's warehouse, the latter building containing 2,000 pounds of giant powder. Notwithstanding the great danger, the firemen mounted the building and worked faithfully until they were driven off by the excessive heat. Happily no explosion occurred. Jones' carriage house also fell followed by Martin's paint shop. Nehrlass & Harmon's brick blacksmith shop was saved by a scratch. Rapp's dwelling and blacksmith shop, all the Chinese buildings on the east side of Main street, Magoff's residence and barn, John Morrison's house and barn, Hevey's dwelling and barn, Eckert's barn and Nehrlass & Harmon's frame blacksmith shop were converted into ashes in no time. Jones' livery stable on the east side of First street, and Martin's livery stable and carriage house were saved by the wind taking a favorable turn. Jones' stable was on fire several times and the flames were extinguished with great difficulty. At 11:15 p. m. the fire was under control. The total loss of property will not fall short of \$50,000. The value of the Chinese houses and goods destroyed is fully \$25,000. The other losses are as follows: J. Martin, paint shop, buggy and material, \$1,000; J. B. Ross, buggies, monuments, etc., \$1,500; Gilbert Jones, carriage house, \$300; Vance & Wallbridge, warehouse, granary, wool, flour, etc., \$6,000; W. A. Hovey, residence, barn and stock of chickens, \$3,000, insured for \$3,000; Nehrlass & Harmon, blacksmith shop, tools and stock, \$2,500; Henry Repp, residence blacksmith shop, tools, etc., \$4,000, insured for \$1,800; S. Magoff's residence and barn, \$1,000; William Eckert, barn, hay, tools, etc., \$1,000.

Several boys from Ashland last week made a raid on the Watermelon patch above Soda Springs, owned by George McCormick, breaking down the owners fence and destroying property in general. Mr. McCormick interviewed the boys next day when they were made to pugnie \$10 for damages done. The new goods for the store of Reames & White are expected next week when they will open out with a fresh stock of everything usually found in a first-class general merchandise store and selling at the very smallest profits. The appointment of Mr. Reames as Postal Inspector will not effect his business relations here. One Wm. Cushman, who served out a term in the county jail for killing deer out of season a few months ago is reported by parties who have visited the Siskiyou this summer as being with others in the business of skinning deer for their hides only. These fellows should be made to suffer the severest penalty of the law. About twenty engineers and surveyors started east from Albany on the 31 to survey the route of the Oregon Pacific R. R. through to Boise City, crossing the Cascades by the Minto Pass. It is rumored that the road will be extended east from Albany this summer into the Cascade Mountains and will ultimately be pushed through to a connection with the Chicago and Northwest or some other transcontinental road. The old stage barn on Grave creek, the property of Hon. A. Porter, was burned on the 5th. Also a reaper and mower, horse rake and about 40 tons of hay. The machinery was the property of H. D. Harkness. It was undoubtedly set on fire as no one was there at the time. If the perpetrator could be found no doubt exist about his guilt, it would undoubtedly be the cheapest and best in the long run to hang him to a tree.—[Courier.

Stanley, State Senator from this county, has the appointment of two students in the State Agricultural College at Corvallis, one of the best schools in the State, which privilege he is anxious to exercise, if eligible young men will make application to him. Nye's, the bridge at Gordon's and to put in a culvert at the springy place below Hull's, Aiken Bros agreeing to furnish the plank for such repairs free of charge. The clerk was ordered to advertise for bids for keeping the county poor. Henry Englebrecht was authorized to repair the bridge at the crossing of Shively Gulch, in his road district. A portion of a certain county road above Ashland being fenced up by persons claiming the land, the county surveyor was ordered to survey said county road. Jas. Hamlin was appointed supervisor of road district No. 9. It was ordered that the sheriff be allowed \$1.50 a day for jailor's fees when ever any person or persons be confined in the county jail continuously. The petition of Wm. Angle and 66 others for a bridge across Bear creek, near Medford was continued until next term of court. The clerk was authorized to draw a warrant for \$35 to send Wm. Armstrong an indigent person, to San Luis Obispo, Cal. Bills to a considerable amount were audited. The jury list for the ensuing year was drawn.

SAD CASE.—Laura Wisley, daughter of John B. Wisley, was examined by Drs. DeBar and Geary this week and pronounced insane. She was taken to the asylum on the day following by W. W. Willis and wife. Her late serious illness is the cause but we hope soon to chronicle her recovery.
