

Willis A. Parks, a blind violinist who has been stopping at the New River mines for some time past...

The entire press of the Pacific Coast with one or two interested exceptions, are unanimous in expressions of satisfaction at the prospect of telegraphic competition.

Surveyors in Ohio seem to be a pretty bad crowd. At a recent prohibition convention at Columbus, when the members were called upon to nominate some one for surveyor, it was discovered that there was no prohibitionist in the community who could fulfill the duties of surveyor, and in consequence the nomination was postponed.

Eleven thousand veterans took part in the parade in San Francisco on the 3d, and was witnessed by fully 300,000 people. After the procession was through, the rush for restaurants was such that proprietors had to lock their doors.

Henry Ward Beecher's lectures in England are reported by London society papers as falling flat, and if he makes his expenses on his travels it is said he will be doing well.

By the last Treasury San Francisco ranks third of American ports in her imports for the year ending June 30, 1886, only New York and Boston being ahead.

A Negro living near Savannah, Ga., left his little girl with a Negro woman for a few days while he worked at a distance.

An advertisement in an Eastern paper offers upon receipt of \$2 to tell how to get California for nothing. A gentleman enclosed the money and in return got a slip on which was printed walk.

The water trouble in Colorado is as troublesome as in California, and there is a demand for special legislation on the subject in the former as in the latter state.

The population of the United States is now estimated to be over 60,000,000. The increase of births over deaths is about two per cent per annum, and our immigration averages about 1,000 per day.

The dispatches state that Nellie Grant Sartoris has at last concluded to leave her negligent and brutal husband and return to her once happy home in America.

Laborers' wages on the Cascade branch have been increased from \$2 to \$2.25 per day.

The item gaffer has the most laborious position of all these hot days. The atmosphere is very oppressive, and the news clipper is considered a very unwelcome visitor.
