

COMMITTEE MEETING.—The members of the dinner committee selected for the Pioneer celebration on Sept. 9th are requested to meet at the town hall next Saturday afternoon, August 28th, at two o'clock P. M. to make necessary arrangements. A full attendance is desired and the list of members will be found in another column.

GEN. LOGAN COMING.—Gen John A. Logan and a party of twenty-five will be in Ashland next Sunday evening, en route from San Francisco to Portland on their way home from the G. A. R. reunion. The party will come in special coaches from the C. & O. R. R. terminals, and will probably arrive here at some time before dark. The local G. A. R. post will be out to receive them, and no doubt the citizens of the town will turn out generally to have a sight of the distinguished Illinois General and Senator. [Edings.]

BOUND OVER.—A new comer named John Campbell, claiming to hail from the Lake country, was arrested at Grants Pass on Monday last by Sheriff Patterson and brought here for trial on a charge of robbing Julius Shmidt of \$10 which he had in his pants in his room at the Union livery stable. Defendant had a trial before a jury in Justice Hubbell's court on the following day when the jury disagreed and he was discharged. When arrested Campbell had a watch and purse on his person which have since been identified as the property of Mr. and Mrs. J. A. Sliver, where he boarded while here. He was again arrested as soon as discharged on the first count when he was bound over by Justice Hubbell and now languishes in jail awaiting the action of the next grand jury.

RELIGIOUS ITEMS.—M. M. Marks of Talent will lecture at the Griffin creek school house on Sunday, August 29th, at 4 o'clock P. M. Subject: "Moses in the Wilderness." Rev. A. H. Sunderman will hold services at the Chinney Rock school-house on Sunday, when Rev. F. Bonn of Portland will be in attendance. Rev. J. R. Roberts will preach at the Neil creek school-house on the fifth Sunday in this month. Rev. F. X. Blanchet will hold services at the Catholic church in this place on Sunday at the usual time. Liberal Sunday-school and Bible class meets every Sunday at 11 o'clock A. M. at the U. M. L. Hall, Talent. A camp-meeting will be held at the Astoria school house on the fourth Sunday in this month, under the auspices of the M. E. Church, South. All are invited.

RAILROAD ITEMS.—It is announced that the terminus of the railroad will be moved up to Cedar Flat, about 3 miles below Uncle Dick's Soda Springs, on Thursday next. This will shorten the starting to this place by about 1 1/2 miles, and may make some change in time of arrivals. It is not known yet what change in stage time will be made, as the shortening up does not make sufficient gain to make any difference in trip to Portland, unless the Oregon road makes a change of time. The breakfast station may probably remain at Battleville, with earlier breakfast time, as it is rather too far to make Yreka the breakfast station on present railroad time of arrival from south. Cedar flat will probably remain the permanent terminus for delivery of passengers, mails and freight, until the road is finished to Strawberry Valley, as there are no good places between these points for side tracks depot and other buildings. Cedar flat is a wide and beautiful point for a terminus, much better than any point on the line north of Redding, as far as the road is built. [Journal.]

PIONEER MEETING.—At a meeting of the general committee of arrangements for the tenth annual re-union of the Pioneer Society of Southern Oregon, held at the Town Hall on August 17th-1886, the following committees were appointed: Committee on Orators—D. Magruder, Mrs. Elizabeth Kenner, Mrs. N. Langell, Mrs. C. C. Beckman, Mrs. K. Kubli, Mrs. D. Linn, Mrs. J. H. Huffler, Mrs. H. v. Helms, Mrs. S. J. Day, Mrs. T. G. Reamer, Mrs. John Tupper, Mrs. Wm. M. Turner, Mrs. William Bybee, L. J. C. Duncan, Samuel R. Taylor and Milo Caton. The following Amendment to the constitution of the Pioneer Society of Southern Oregon was submitted at the last annual meeting of the society, which was read, and lies over under the Rule to wit: "All male members of this society who now are, or who may hereafter become five years in arrears for annual dues to the society, shall be stricken from the Roll of Membership, to take effect at the time of the adoption of the amendment. At the tenth annual meeting of the Pioneer Society of Southern Oregon, on motion the officers of the society were appointed a committee to issue invitations for the next annual re-union of the society which is to be held in Jacksonville on Thursday September 9th 1886. Said committee having had the subject matter under consideration hereby extend invitations to all members of the society and their families to participate in the tenth annual re-union. All members of the society are expected to attend with baskets well filled with good things suitable for the occasion.

Such an enterprising undertaking involves, of course, some financial risk, but Carver has received so much encouragement from prominent men of the European countries, that he feels sanguine of brilliant success. He has already an established reputation in Europe, having defeated all the crack shots during his sojourn there a few years ago.

Brother Wimer of the Grant's Pass "Courier" says that we are alone in the newspaper talk now going on over the Prosecuting Attorneyship for this district. This is true, we must acknowledge, but it being simply a family quarrel in the Democratic camp will be to chip in occasionally to help the boys along. We nevertheless believe that when a jury is selected to try this case, and the law is read to them as it appears on our statute books, at least twelve good and lawful jurymen will come to our way of thinking and Mr. Kent will officiate for two years longer. Do the cigars go, Brother Wimer!

MEAN TRICK.—Last Saturday some time parties unknown went to the timber creek tunnel on Jackson creek and there destroyed property doing them no good and causing a considerable loss to Messrs. Casteel and Nelson, the contractors. Nuts were taken off the car, hammers and drills were thrown down in the creek, and the bellows in the blacksmith shop was cut from one end to the other. Several young boys from here are suspected but no one can tell why they should do such an act, should they be the guilty ones. The loss falls heavily on Messrs. Casteel
