**To the Importers of Umpqua.**

*The Schooner* UMPQUA

Under the Command of

S. D. HINSDALE,

INTENDS Running regularly between Umpqua River and San Francisco, and left the Umpqua on the first trip on the 6th of May.

It is only necessary to remind the Importers of Umpqua that this Vessel is the first ever launched on the waters of the Umpqua, to insure their patronage and support. This Vessel will discharge her cargoes at Scottsburg, and at the rate she intends to carry freight, will not only save the Shipper a very considerable item, but save him the transportation up the River, and enable him to receive his goods without so much handling as heretofore. In fine, the Schooner "Umpqua" of Scottsburg is a real Umpqua craft, and being the first on the list in this great *reform*, confidently relies upon all the Umpqua for support and encouragement.

For Freight or Passage apply to Allan, McKinny & Co., Scottsburgh, or to the Captain on board. Merchants wishing to ship from San Francisco, can apply to Allan, Lowe & Co., 132 Clay Street, or to the Captain.
