a thorough Chemical Analysis, has furnished the following statement:

Mr. E. Warner has placed in my possession he formula of the medicine manufactured and old by him under the general designation of WARNER'S SAFE KIDNEY AND LIVER CURE. I have investigated his process of manufacture, which are conducted with extreme care and according to the best methods. I have also taken from his labratory samples of all the insterials used in the preparation of this medicine, and upon critical examination I find them, as well as the medicine into which they enter, to be entirely free from poisonous or
