Dear Sir: I have been prescribing your Hypophosphice for reversi years, both in Canada and the United States, but more particularly at this famous resort for invalids, where thousands annually congregate. For those in whom the Brain and Nervous System has been exhausted from excesses or overwork, I have found no combination of remedies so prompt and efficacious in reatoring the vital forces. I hope that every person needing relief will avail themselves of so valuable a preparation.

No doubt any longer remains of the practicability of restoring the nervous system, and through the nerves the muscles of the impaired organs. Fellows!
