

THE REPORTER.

McMINNVILLE, OREGON, AUG. 17, 1882.

Wheat at this place, to-day, is worth 84 cents—the same as last week.

The name of Judge Denny is suggested for the U. S. Senatorship.

And still the star route trial continues; and still the set of thieves that robbed the country of thousands of dollars are just as far from being brought to justice as ever. Just as well stop the prosecution, gentlemen; too many "finger in that pie."

During the year 1881 there was manufactured and probably drank in Oregon 737,381 gallons of beer. From Jan. 1st to May 1st, 1882, there was manufactured 214,363 gallons. Golly! that'd float a pretty fair sized boat, wouldn't it? And wouldn't that boat have a jolly (hic) lot of (hic) passengers?

A young man named Sterling Oiler, 18 years of age, was fatally stabbed by David Morris, a man of 59 years, at Molalla cross-roads, Clackamas county, on Saturday, over an affair too trivial to mention. This, we suppose, will cause an opportunity for Clackamas county to expend a thousand or more dollars in sending a brutal murderer to the penitentiary.

The selection of a United States Senator is the all absorbing topic with our State exchanges. There are several candidates in the field for the position, and among them John H. Mitchell seems to be the favorite with the majority. And why should he not be? Who knows the wants of our rapidly growing and prosperous State better than he, and who among the aspirants for the Senatorship is better qualified and more willing to present her claims? We think none. Then why should his election be opposed so bitterly by some, especially Republicans. Chief in opposition to his selection is the Democratic press, which is keeping up a steady fire upon him. They give no voice toward the crying down of any other aspirant. This is natural enough, however. It is their desire and aim to create a division in the ranks of the Republicans, who have a good working party, and as a result is the strongest man, they hold to the hope that they may influence enough Republicans opposed to Mitchell who, rather than assist in electing him would cast their ballot for a Democrat and secure the election of a traverer or a Nesmith. This is the part they are playing in the programme, and it will be well for Republicans to keep an eye open to the fact. Let Republicans work together; let them not in unity in this Senatorial matter, else they will lose that for which the party worked so hard during the late campaign. We do not wish to be understood as being the mouthpiece of John H. Mitchell, though he is our choice. What we want is a Republican U. S. Senator, let it be Mitchell, Boise, Hill, or any other man capable of filling the position to the best interests of our State, and do not want our legislators to lose him by disaffection in the party and running off after strange gods. Remember "how well it is for brethren to dwell together in unity," abide by it and all will be well.

ORDINANCE NO. 45.

The People of the Town of McMinnville do hereby enact as follows: Section 1. That it shall be unlawful for any person in the Town of McMinnville, Oregon, to sell Beer in any quantity whatever without first obtaining a license therefor in the manner following to wit: First. The applicant shall file with the Board of Trustees a bond in the sum of \$300 which bond shall be of the same conditions and requirements in every way and liable to the same penalty for violation thereof, to be enforced in the same manner, as the bond required to be given in section three (3) of ordinance No. forty-three (43) regulating the sale of intoxicating liquors in this Town. Second. Upon the acceptance of the said bond by the Board of Trustees the applicant shall pay into the Treasurer of this Town the necessary amount for the time the license is to run at the rate of \$50 per annum, but no license shall issue for a less period than six months. Third. The applicant shall then present to the Recorder of this Town the said Treasurer's receipt whose duty it shall be to ascertain if said bond has been filed with and duly accepted by the Board of Trustees, if so he shall then issue to the applicant the appropriate license. Section 2. Nothing in this ordinance shall be so construed as to require any person or persons who shall have taken out a license to sell liquors as required by ordinance No. 43 of this town, to take out U. S. additional license, or any license for the sale of Beer. Section 3. Any person or persons violating this ordinance or any part thereof, shall upon conviction thereof in the Recorder's Court be punished by a fine of not less than \$10 nor more than \$50 or be imprisoned in the city jail not less than four days nor more than ten; and this ordinance shall take effect in ten days from and after its passage. Passed the Board of Trustees this 14th day of August, A. D. 1882. C. D. JOHNSON, Attest: President of the Board, Geo. C. Biscanay, Recorder.
