The Weekly Enterprise.

By E. H. Fearn, Proprietor.

Communications to the Editor.

A correspondent of the Chicago Rappahannock Journal writes: "The number of dispossessed families from the New Pacific Territory, which has been lately opened for settlement, is nearly two hundred and fifty thousand, which is a considerable increase over the past season. The government has been very liberal in granting lands, and the settlers are encouraged to take advantage of the offer.

Mayer's Market.

On the 1st of this month, the market was opened for the season. The prices of provisions are very favorable, and a good supply is on hand. The stock of fresh meats is particularly abundant, and the prices correspondingly low.

The Portland Public Market, which is located in the center of the city, is expected to be opened in the next few days. It is said to be one of the largest and best-equipped markets in the country, and will be a great improvement to the city.

Agriculture and Industry.

The crop of grain this year is very good, and the farmers are expecting a good season. The prices of wheat, corn, and oats are high, and the islands are in favor. The cotton crop is also very good, and the prices of the staple are high. The sugar beet crop is not so good as last year, but the prices are good.

The lumber trade is very active, and the prices of lumber are high. The demand for building materials is very great, and the prices of sawn timbers are high. The shipbuilding trade is also in favor, and the prices of iron are high. The iron trade is also in favor, and the prices of iron are high.

Agricultural and Industrial Expositions.

The agricultural and industrial expositions are being held in various parts of the country. The exhibits are very interesting, and the prizes are high. The prizes are awarded for the best exhibits, and the winners are given a large sum of money. The expositions are very popular, and the attendance is very great.

The Portland and Northwestern.

The Portland and Northwestern is a newly formed railroad company, and is expected to be a very successful one. The road is to be built from Portland to the northwestern part of the country, and is expected to be a great improvement to the country. The road is to be completed in two years, and the company is expecting a very good season.
