my, \$300,000 in gold having recently been appropriated by Parliament to supply these tables to the army ° officers in the various barracks thro' out the world.

EMIGRATION .- We see a statement markets of the world have turned that Kansas has sent an emigrant to look in this direction for breadagent to Europe. The result of the stuffs " since the discovery of Boise,' movement is easily comprehended. When will Oregon do something in way to the Indics " in the course of the matter of posting people who are the setting sun"-a very important anxious to better their condition, with regard to the advantages existing here ?

MARK TWAIN -- Mark Twain is do ing the Holy Land, and letter writing thereon, which the Alta copyrights. We must confess to experiencing some doubts as to his originality, says the Times, when we are told that his famous frog story was written by Sam. Seabough, now of the Sacramento Union, and appropriated by Mark as his own.

ALASKA .- This name, which has been applied to Russian America, signifies continent or mainland, as distin guished from little islands, or islands of the Kodiac, Schumaguiski and Aleutian groups, and those in Kamschatka sea and the Behring straits. The term Alaska is used by the natives and Russian settlers, to include our prices current. or apply to all the Russian possessions on the American continent.

DBAD .- Hon. James A. McDou. ica, of the North American Steamgal, late United States Senator from ship Company, the passengers held California, died at Albany, N. Y., on a meeting, and expressed themselves the 3d inst. As a man of ability, in this manner: we believe it is generally acknowledged that he had few superiors in the nation, but his career in Congress ifornia via Nicaragua, and having was such as to disappoint and mortify even those who elected him, and his death furnishes another illustration of means to notify the traveling public the evils of intemperance.

COMMISSIONERS. -- On a count of the extent of the Oregon district, the that the report of cholera so indusprovision of law for the taking of triously circulated in New York, formerly of this city, was fearfully, oaths in bankruptcy is considered in [(ard, we presume by the same inter ested parties in California,) are false adequate and inconvenient, hence the from beginning to end, and entirely following persons have been appoint. without foundation; and we particued by Judge M. P. Deady, commiss larly desire that this notice be widely sioners of the U. S. Circuit Court for circulated and advertised, for the information of those who may be travel this district to take such oaths :
