HON. SCHEYLER COLFAX.

We have received from the publishers the September number of the Ladies Repository, edited for the Methodist Episcopal Church, by Rev. J. W. Wiley, D. D. The initial article for this number is an interesting sketch of the Hon. Schuyler Colfax, Speaker of the House of Representa-Ex Route.-James M. Cave- the 23d of March, 1823, and is therefore forty-four years of age. He was a posthumous child, his father having died a few months before he was born. When he was ten years old his THE ATLANTIC CABLE .- A mine mother married Mr. Matthews, and and "for thirty-one years has pure complaint is the expatriating majorities which banish him so repeatedly East again to Washington,"

space compels us to omit; but we cannot refrain from paying our tribute of hearty endorsement to the fol- peat the dose. lowing statement of the facts and motives of his public career :

Mr. Colfax's first more public service began in 1848, as member and secretary of the Whig convention which nominated General Taylor for President. In 1850 he was an active member of the convention which framed the present constitution of Indiana. Here he persistently opposed of that town last Sunday at an early ored men from entering the State. This sand in the State, yet, where a mere politwith his opponent, the then incombent, | Portland." who re-obtained his seat by only two hundred and sixteen majority. Like his friend

fruit, therefore, those who are think an enthusiastic opposition member, mounting of extending their old ones, should ing a desk, shouled: "Three cheers for our noble Speaker!" and the responsiv stock of fruit to send to market in 1862 took the stomp in his facor. His present Speakership was endorsed by the ON TRACK .- A Montana paper, to Congress on opposition tickets. This which says it is a leading organ of that | favor by his opponents is won by his open party which is about to rescue the manly tactics during a canvass where all Government from its enemies and re- his procedures are above even the reavoiding personalities, confines himself to concludes that the people are tired of vital issues and the merits of all pending
