The Weekln Enterprise.

TOWN AND COUNTY.

THE ECHO.-This steamer is again in service, in the line of the P. T. Company. Found.-A leather bound memoramdum

calling at this office.

CIRCUIT COURT .- Some have an idea that Circuit Court for this county begins on the first Monday in March. This is an eris the day.

NEGLECTED .- In consequence of too pressing engagements upon the Editor in the mechanical department of the office this week, many matters requiring his attention have necessarily been neglected.

GRANT CLUB MEETING .- We are request-Portland, will deliver an address before tal Chronicle, or like copperhead sheets, the Grant Club at the Court House, in this e en a Demic at, if sensible, would city, this evening.

RAIN .- The past two or three days appear to indicate heavy rains approaching, which would be very acceptable now, in order that the roads which have been left us the "good bye" could not do likewise. "puffed up" by Jack Frost's visit may again be reduced to the proper level. THE WILLAMETTE COMPANY .- We learn

on the outside that the P. T. Co., do not Damascus is the oldest city in the world. intend reducing rates, to run " opposition" to the new complany. This is the most sensible move the company has made since the last issue of stock THE NEW NATION,-We have received a shores of the Tigris and Emphrates. Da-

copy of the splendid address by Calvin B. | mascus remains where it was in the days McDonald, entitled "The New Nation," delivered before the Grant Club at Albany, an island of verdure in a desert, " a preon the evening of January 24th. It is a destined capital," with martial and sacred splendid oration. The New Nation is a associations extending beyond thirty cenmagnificent theme.

The Opposition -On Wednesday last Tarsus saw the light from heaven above the steamer Ranger, Capt. Fisher, under the brightness of the sun; the street which charter to the Willamette Steamboat Company, left this city freighted for Portland | prayeth" still runs through the city; the inaking the first trip in the opposition line. The freight was principally flour, from the Dayton Mills we understand.

DRAMATIC CLUBS .- Since the date of the organization of the Amateur Dramatic afraid to enter, because it is given to man Club in this city, one has been instituted to have but one paradise, and for his part at Portland, and one at Vancover. At the be was resolved not to have it in this latter place men have to be females, but world, is to this day what it was of old. it is said they play their parts as well as man can, in that role.

Revenue. Mr. Mellen, assistant revel which Rev. T. L. Eliot of Portland disnue collector for this district, desires us to coursed on Tuesday evening last, and a say that he found it necessary to return to very pretty lecture indeed was the result Salem before completing the assessment of of his efforts. Mr. Eliot has a bright intelthis county, but that he will again be here | lect, and his thoughts are expressed in on or about the tenth of next month, when | such manner as to take his audience with He wishes parties to be prepared to "see him in the consideration of his subject

MACHINERY ARRIVED.-We are pleased tened to. Mr. Eliet has but recently at being able to state that the machinery for the new paper mill of Messrs. H. L. Pittock, W. W. Buck, and associates, arrived by the last steamer, and the mill distant region. We learn that he is son of fear this city will be at once prepared to Rev. Mr. Eliot, who has preached in the receive it. Probably the newspaper offices of Oregon will never be found without a winter supply of stock again.

has an article on advertising as a means of PIONEER'S VISIT Since our last issue Messrs. James Fruit and Daniel Stewart, the former an Pmigrant of '44, the latter of '45, have been on a visit to their friends in this city. These gentleman now hail from Idaho, we understand, but will remain in this valley some three or four weeks.

City Laws .- There is a law to prevent | When buyers are reluctant, sellers must hogs from running at large within the cor- be active. It is neither cheap nor sensiporate limits of this city, and there is ble to sit still behind your counter and Calf Skius, per doz. greater need of a law to prevent horses wait for the busile of trade to revive. from running at large. Prevention, it is said, is better than cure, before lives are further jeopardized would it not be well in the second, that is when people devote for our City Councilmen to legislate upon | most time to reading the newspapers, and this subject.

ROADS.—It is a matter of doubt to some whether there are any legal roads in this country. Perhaps is would be well if an examination of the records were to be made in investigation of this subject. We are well enough aware of the fact that existing roads are bad enough, but they do belong to the county-have they been properly laid out and recorded? If so they Hurford, Marshall; J. E. Hurford Instrucshould be repaired.

Public Parties .- On two occasions of late, in this city, parties have been given which were really ereditable affairs. On the evening of 13th Mr. Leon. Diller gave a ball in honor of St. Valentine's Day, and on Thursday evening last Messrs. White & Rhodes of the Cliff House gave one in honor of the Birth-day of Washington :-6 First in war, first in Peace, and first in the hearts of his countrymen." We attended on both occasions, and must say | nary, but then there was no communicathat it did us much good.

FLAX SEEP.-Robt. M. Montgomery, of Luckimute, Polle county, Oregon, writes to the Postumster here, inquiring the price time for spring plowing and seeding. Old of flax-seed; and asking for facts as to the tools will need repairing, and new ones. cultivation of flex, etc., thinking at doubt. Salere; or subscribe for some Oregon pa- took nearly all the first prizes per, he may soon be enlightened to his at Salem last fall, and he can give each satisfaction.

REDINGTON & CO.'S COLUMN

REDINGTON & CO.'S Essence of Jamaica Ginger.

THIS Valuable preparation, containing in a highly concentrated form all the properties of the Jamaica Ginger, has become et 6 of the most popular domestic remedies for all diseases of the stomach and digestive organs. As a tonic it will be found invaluable to all persons recovering from debility, whether produced by fever or otherwise, for whilst parts to the system all the glow and vigor that can be prollaced by wine or brandy, it entirely free from the reactionary effects follow the use of spirits of any kind. It is also an excellent remedy for females who suffer from difficult menstruation, giving almost immediate relief to the spasms that so frequently accompany that period. It gives immediate relief to pansed agaused by sea-sickness, etc. It is also valuable as an external application for Gont, Rhenmetism, REDINGTON, & CO. Neuralgia, etc. Sole Agents for the Passe Coast
