-It is said that the Albany will make her first trip from this city on Monday.

She is the finest boat on the Willamette. ----The laying of cast iron pipes for street

-The taxing of dogs is a good movement on the part of the city council. The next matter calling attention ought to be a fine for allowing horses to run loose in the streets.

Chas. Pope, now leaves this city daily. fitted, and is as neat as a new pin.

-We learn that the opposition steamer they find their expenses too great at home. says the Oregonian

Works will be compelled to blow out the present blast. This will be some time before the company had anticipated such a thing, and it all comes, perhaps, from a

academy and a jail, and they have very little use for the latter, probably in conse- tween them. quence of freely patronizing the former." The number before us contains an engraving of the Forest Grove University.

--We are glad to learn that the unsightly chasm at the upper end of Main street is about to be filled up. The P. T. Co. ought to become Eshamed of themserves and make a decent flight to their basin from the street, in the same vicinity. Those places have caused disgust enough to strangers, who take it as an indication when in reality it is not, and has only been] permitted to remain so long neglected through the indulgences of the people. ----

-Water is said to be running very low at Oswego. If they propose to make that a second Pittsburg it will be necessary to a neat saloon on Main street. act in harmony with respect to conflicting wego, looking out for new quarters. Gentlemen, settle your disputes in any other might as well be spent there as not, if a before selling. would have centered here, only for mis- have a fine stock of merchandise; understandings, and stubbornness.

steamer Success was completed at the Oregon Iron Works on Saturday last at 2 o'clock r. M., and within six hours from that time was landed at Canemah, all safe. The Portland Dray and Hack Company delivered it by loading it upon two pairs of tracks, drawn by six horses, to a barge oin Portland, which was then towed to this city by the Wenat. Here the teams were driven off, and carried the boiler over the portage to Cenemal, unloaded and returned that night to their stables. The boiler weighs something over six tons, and is a
