THE SPECTATOR
Oregon City, December 29, 1846.

COL. L. CURTIS, EDITOR — W. C. COWELL, PRINTER.

RESOLUTIONS.
Passed by the Board of Directors at their meeting on Thursday evening, Dec. 29, and ordered to be inserted in the News this day.

The following resolutions were adopted:

Resolved, That the name of all subscribers to the "Oregon Spectator," who, by the close of this year, shall have not paid their subscriptions, be stricken from the list and the register of subscribers.

J. F. BROOKS, Secretary.

Oregon City, December 29, 1846.

To COMMISSIONERS—Some "Compliments to Mary" shall have a place in next paper; we perceive Pug's Sound has got up to the banks of the Columbia. These were destined — a capital paper. We will publish them with pleasure.

Mary is unknown to me.

The Year Nearer—Another column will be found the Message of the Governor upon returning the "Liquor Bill" to the House without his approbation. The merits of the document, although it did not affect the result, were generally acknowledged. Col. Hall, of Tualatin, in an admirable speech in favor of the bill, paid a high compliment to Speaker Lovejoy, in some able and pertinent remarks, in behalf of the bill, she spoke in complimentary terms of the manly and patriotic sentiments which the bill-urged every argument they could command to all the objections to the measure. In this connection, Mr. Newell and Mr. Tolmie were most prominent. When the final vote came to be taken, the acclamations were loud and long.

A Note—Our subscribers must understand that if they would wish to see the "Spectator" appear, during the coming year, in an enlarged form, they must pay their subscriptions. There is very little prospect of an enlargement, unless our friends come up to the work as they ought. Pay the printer or you get no paper.

E. A negro man named James D. Saul was brought to this city recently from the district of the Columbia, by Capt. James W. Johnson, of the Oregon Sound. The negro stated that he was sold at the mouth of the Willamette, to an Indian woman. He was examined before Justice Hoed, the result of which examination we have never been able to ascertain, but he is at large and likely remain so we suppose.

Dr. SUMNER—We are pleased to state that Mr. W. V. Durren, a respected citizen of Tualatin county, was recently removed by the laws of God, and lying in a convenient position, unburdened and peaceful.

The Portland and Maine. — The Portland was the first steamer that arrived at the mouth of the Willamette, in the fall of 1845. The day after the arrival of the steamer, a committee of five, consisting of Messrs. Hose, G. N. Brown, S. B. Tolmie, S. B. Tolmie and S. B. Tolmie, was appointed to see the steamer. The committee report that the Portland is a splendid steamer, and is fully capable of performing her duties in a safe and satisfactory manner.

Dr. SUMNER—This document will be referred to and read with a great deal of interest. We regard it as one of the most important documents of the year, and one which will be useful to the people of the country.
