 THE subscriber will sell lots in Astoria on the claims of Gen. John Adair, Robert Shortum and others, at low prices. These lots have been accurately surveyed by competent and experienced engineers, and maps of them may be seen at my office. They are now for the first time offered to the public, and those wishing to invest at a place—the port of entry to the Columbia river—the value and importance of which is too apparent to need puffing in an advertisement, are invited to examine the plans at an early day.
