A Walk Man.—A man named Williams  
was stopped at the U. S. Hotel yesterday  
and might justly be styled a wild man  
into nothing that is worked or breaks  
anything but wood. His means, however,  
are not poor. He alleges that he  
has never been sick from the present  
time and that he has been free for several  
years and that his present mode of living would probably cause his  
death. He resides in town and is on his  
way to Washington to make a presentation  
of some U. S. funds to Congressmen Goss,  
et al.
