## POETRY.

### THE CREST OF THE

There is a crest upon the hill,  
That speaks of power and pride,  
A shield with many a noble sign,  
Which tells of valor and of pride.

It is the crest of the brave man,  
Who fights for truth and right,  
Who stands for liberty and law,  
Who fights for duty and for light.

It is the crest of the noble soul,  
Who lives for truth and right,  
Who stands for duty and for law,  
Who fights for duty and for light.

It is the crest of the noble soul,  
Who lives for truth and right,  
Who stands for duty and for law,  
Who fights for duty and for light.
