BENECIA IRON WORKS.

STEAM ENGINE, Boiler and Machine shop. The establishment is now in successful operation, and offers to the public facilities equal to any in the United States, for manufacturing or repairing steam engines, the latter at short notice, brass castings, mill gearing of the most approved patterns, bosses of all, cast iron columns, window caps or entire fronts.

Contractors and others would do well by patronizing this establishment, as their work will be executed with greater dispatch and at lower prices than any other manufactory in the State.

The Company have extended their pier, and erected a large Crane for the accommodation of their customers.
