

RENECIA IRON WORKS.

STEAM ENGINE BLDG.—Navy Yard.—
The steam engine is now in full operation, and will be in full operation in the United States by the first of October, having been completed at the works of the Renecia Iron Works, N.Y., by the great general partners, Renecia & Co., and their agents, Renecia & Sons.

Passengers and others are invited to visit the establishment on the 2d and 3d inst., and will be greatly delighted with the fine specimens of iron workmanship, which are to be seen throughout the entire premises. Renecia & Co., and their agents, Renecia & Sons.

The Company looks forward to their visit, and extend a large dinner for the accommodation of their customers.
