PACIFIC UNIVERSITY.

Forest Grove, Washington County, O. T.

Rev. S. H. Marsh, A. M., President and Acting Professor of Mathematics.

E. D. Shattuck, A. M., Professor of Ancient Languages and Literature.

Other Professorships will be appointed in the several *Departments* as the attendance of the classes *require*.

THE first class will commence its session on the regular Academic days in this Institution on the 2d Wednesday in September next, when the co-operation of well educated teachers will be secured.

As the Trustees do not depend upon the tuition fees for the support of the Faculty, they are able to offer to students, however few in number, all the facilities needed for securing a thorough collegiate education. A Library of 1000 vols. and philosophical apparatus are for the use and benefit of scholars. Candidates for admission must possess a knowledge of the usual branches of a common English education—the elements of Algebra to Equations, and must pass a satisfactory examination in the Latin Language upon a portion of Cæsar's Commentaries, and one oration of Cicero; and, in Greek, upon the 1st book of Xenophon's Anabasis, or the 4 gospels.

A preparatory department is under the direction of J. M. Keeler, Principal of Tualatin Academy. (See advertisement.)

The healthfulness of its location, the inexpensive nature of the expenses, the opportunities and freedom from dangerous temptations that students enjoy, recommend this Institution to those seeking a portunity for education.

Tuition will be $12 per session.

Board can be obtained at from $3.50 to $5 per week.

Young men earnestly desirous of learning, but wanting the means, are invited to apply to Rev. S. H. Marsh, Trustee of P. U., Washington County, O. T.

G. H. ATKINSON,
Sec. of the Board of Trustees.

July 21, 1854.
