PACIFIC UNIVERSITY.

Forest Grove, Washington County, O. T.

Rev. S. H. Mason, A. M., President and Acting Professor of Mathematics.

E. D. Shattuck, A. M., Professor elect of Ancient Languages and Literature.

Other Professors will be appointed to the several Departments as the advancement of classes require.

THE first class will be admitted to enter upon the regular course of study in this Institution on the 2d Wednesday in September next, when the collegiate year will hereafter commence.

As the Trustees do not depend upon the tuition fees for the support of the Faculty, they are able to offer to students, however few in number, all the facilities needed for securing a thorough collegiate education. A Library of 1000 vols. and philosophical apparatus are for the use and benefit of scholars. Candidates for admission must possess a knowledge of the usual branches of a common English education—the elements of Algebra to Equations, and must pass a satisfactory examination in the Latin language upon a portion of Cæsar's Commentaries, and four orations of Cicero; and, in Greek, upon the 1st book of Xenophon's Anabasis, or the equivalents.

A preparatory department is under the direction of J. M. Keeler, Principal of Tualatin Academy. (See advertisement.)

The healthfulness of its location, the comparative smallness of the expense required, and the freedom from dangerous temptations that its students enjoy, recommends this Institution to those seeking opportunities for education.

Tuition will be $32 per annum.

Board can be obtained at from $3.50 to $5 per week.

Young men earnestly desirous of learning, but wanting the pecuniary means, can here find ways of aiding themselves—in regard to which, or, for information as to the course of study, address Rev. S. H. Marsh, Tualatin P. O., Washington county, or

G. H. ATKINSON,
Sec. of the Board of Trustees.
