Where's A. S. Costen!
TAKE CAUTION!!

THIS is to certify that in the fall of 1852 I sold to A. S. Costen, at the Dalles of the Columbia, goods, groceries, &c., to the amount of $553 00, for which I have never received *one cent* in payment. This outlandish villain represented himself to be a member of the Baptist church, but which he was probably not, and after having betrayed all confidence placed in him—having broken open other goods that I left in his charge, and otherwise swindled me, and after making many promises to pay has recently removed to the Upper Willamette Valley, not far from Corvallis, where he evidently designs defrauding others, and of still keeping me out of my money, therefore I want all persons to understand that I believe him a base villain and cheat, (having been frequently informed that he had plenty of money, and not worthy the confidence of the public.) He is guilty of selling liquor to the Indians, and otherwise disregarding the laws. I have even taken care of a son of his, aged about 17, for about four months, and have received no pay. I warn all persons against having any dealings with this villain. L. L. PECK

LIFE ILLUSTRATED.

OUR NEW NEWSPAPER.

With the present number we issue a Prospectus for a New Weekly Newspaper.

It is not our purpose that this shall take the place of our Monthly Journals. Those have become intimately connected with our special business, and too much beloved by our subscribers to be dispensed with. But in these days of railroads and telegraphs, monthly visits seem insufficiently frequent. Our noble ocean steamers cross the Atlantic and return between every issue. Besides, we have not sufficient space in these Journals to convey information of the doings of the world. We therefore have concluded, in addition to our Monthlies, to make *weekly* visits to those who may desire it.

In these more frequent calls we shall not confine ourselves so strictly to professional matters; but will talk of the crops, the markets, schools, lectures, amusements, &c., and try to make our visits as agreeable as possible.

A New Volume.

A new volume of the American Phrenological Journal commenced with the July number.

Subscriptions commenced last January will terminate next December. Those commenced in July 1853, are now complete.

Renewals may be made at once for the year to come. Those who prefer may remit for one, two, three or more years, as may be convenient. The amount will be duly credited, and the Journal sent the time paid for.

Clubs for any number of copies may be formed and sent to the Publishers at once.

Terms: single copy one year, $1. 5 copies $4 10 copies $7. 20 copies $10.

The Water Cure Journal is furnished at the same rates. Address, post paid to

No Premiums! No Humbug!

A GEM FOR THE HOME CIRCLE.

Something new in the Literary World.

A MAMMOTH WEEKLY OF THE FIRST ORDER.

THOSE desirous of procuring a weekly paper conducted with the highest regard for correct taste, blending instruction with amusement, free from that class of trashy "novelettes," "tales," &c., that tend to vitiate the mind, should subscribe for

AMERICA'S OWN,

EDMUND B. CHILD, EDITOR.

It is a paper of the largest class, and in its columns will be found gleanings from the Field of Literature, Biographies, Historical Reminiscences, moral and interesting Stories, Sketches, Poetry, Travels, Essays, Anecdotes, Articles upon the Fine Arts, Mechanics, &c.

Particular care is taken to avoid those "humorous sketches" which please a bar-room audience, but which are so disgusting to the refined taste of the Home Circle.

The publishers do not adopt the quack system of saying that "it is the best paper in the world," or resort to the plan of offering novels, jewelry, or premiums, of any description in order to "make people take it," but depend upon its own merits to give it a circulation. They give the opinion of disinterested persons whose extensive knowledge enables them to judge correctly of its merits.

It is an excellent miscellaneous paper. *Sunday Dispatch, N. Y.*

This paper is a favorite with us, and we consider it one of the very best weeklies published. *Gazette, Pittston, Pa.*

We consider it the best family newspaper published. *Louisville Varieties.*

It is a high toned and interesting Journal of Literature. *Geo. Lappard.*

A valuable Journal. It is conducted with signal ability. *Emporium, Germantown, Ohio.*

It is the best paper in the State. *Cadet's Banner, Utica.*

This is a good useful weekly. *Democrat, Waukesha, Wisconsin.*

It is a good family paper. *Village Record, N. J.*

This is one of the good papers of the day. It is one of the best papers on our exchange list. *Emblem, Middletown, Ohio.*

It is one of the best reform papers in the country. *Sunday Mercury, Philadelphia.*

It is an excellent family newspaper. *Advocate, Stamford, Conn.*

It is far ahead of any Eastern paper we have examined. It is a most welcome visitor to our *sanctum*, and we always greet its coming with delight. Its columns never fail to glisten with choice gems of Literature. *Southern Illinoisan.*
