PACIFIC UNIVERSITY.

Forest Grove, Washington County, O. T.

Rev. S. H Marsh, A. M., President and Acting Professor of Mathematics.

E. D Shattuck, A. M., Professor elect of Ancient Languages and Literature.

Other Professors will be appointed to the several Departments as the advancement of classes require.

THE first class will be admitted to enter upon the regular course of study on the first Monday in September next, when the collegiate year will accordingly commence.

As the Trustees do not depend upon the tuition fees for the support of the Faculty, they are able to offer to students, however low in number, all the facilities needed for securing a thorough collegiate education. A Library of 1000 volumes and philosophical apparatus are for the use and benefit of scholars. Candidates for admission must possess a knowledge of the usual branches of a common English education—thorough Arithmetic to Equations, and must pass a satisfactory examination in the Latin language upon a portion of Cæsar's Commentaries, and four orations of Cicero; and, in Greek, upon the 1st book of Xenophon's Anabasis, or their equivalents.

A preparatory department is under the direction of J. M. Keeler, Principal of Tualatin Academy. See advertisement.

The healthfulness of its location, the comparative smallness of the expense required, and the freedom from dangerous temptations to which students enjoy, recommends this institution to those seeking opportunities for education.

Tuition will be $12 per annum.

Board can be obtained at from $1.50 to $2 per week.

Young men earnestly desirous of being fitted to enter upon the regular course of study on this foundation on the 2d Wednesday in September next, when the collegiate year will accordingly commence, will be well paid by calling at Lafourette & Holland's store, in Oregon City, and purchasing any of the following works, which we have just received, and expect to keep on hand:
