LIFE ILLUSTRATED.

OUR NEW NEWSPAPER.

With the present number we issue a Prospectus for a New Weekly Newspaper.

It is not our purpose that this shall take the place of our Monthly Journals. These have become intimately connected with our special business, and too much beloved by our subscribers to be dispensed with. But in these days of railroads and telegraphs, monthly visits seem insufficiently frequent. Our noble ocean steamers cross the Atlantic and return between every issue. Besides, we have not sufficient space in these Journals to convey information of the doings of the world. We therefore have concluded, in addition to our Monthlies, to make weekly visits to those who may desire it.

In these more frequent calls we shall not confine ourselves strictly to professional matters, but will talk of the crops, the markets, schools, lectures, amusements, &c., and try to make our visits as agreeable as possible.

A New Volume.

A new volume of the American Phrenological Journal commenced with the July number.

Subscriptions commenced last January will terminate next December. Those commenced in July 1853, are now complete.

Renewals may be made at once for the year to come. Those who prefer may remit for one, two, three or more years, as may be convenient. The amount will be duly credited, and the Journal sent the time paid for.

Clubs for any number of copies may be formed and sent to the Publishers at once.

Terms: single copy one year, $1. 5 copies $4. 10 copies $7. 20 copies $10.

The Water Cure Journal is furnished at the same rates. Address, post paid to

No Premiums! No Humbug!

A GEM FOR THE HOME CIRCLE.

Something new in the Literary World.

A MAMMOTH WEEKLY OF THE FIRST ORDER.

THOSE desirous of procuring a weekly paper conducted with the highest regard for correct taste, blending instruction with amusement, free from that class of trashy "novelettes," "tales," &c., that tend to vitiate the mind, should subscribe for

AMERICA'S OWN,

EDMUND S. CHILD, EDITOR.

It is a paper of the largest class, and in its columns will be found gleanings from the Field of Literature, Biographies, Historical Reminiscences, moral and interesting Stories, Sketches, Poetry, Travels, Essays, Anecdotes, Articles upon the Fine Arts, Mechanics, &c.

Particular care is taken to avoid those "humorous sketches" which please a bar-room audience, but which are so disgusting to the refined taste of the Home Circle.

The publishers do not adopt the quack system of saying that "it is the best paper in the world," or resort to the plan of offering books, jewelry, or premiums, or any description in order to "make people take it," but depend upon its own merits to give it a circulation. They give the opinion of disinterested persons whose extensive knowledge enables them to judge correctly of its merits.

"An excellent miscellaneous paper. *Sunday Mercury, N. Y.*

"This paper is a favorite with us, and we consider it one of the very best weeklies published. *Gazette, Pa.*

"[illegible] family newspaper published. *Evangelist, Boston.*

"[illegible] and interesting Journal of [illegible]. *Lapeer.*

A splendid journal. It is conducted with signal ability. *Emporium, Germantown, Ohio.*

It is the best paper in the State. *Cadiz Republican, Ohio.*

This is a good useful weekly. *Democrat, Waukesha, Wisconsin.*

It is a good family paper. *Village Record, N. J.*

This is one of the good papers of the day. It is one of the best papers on our exchange list. *Emblem, Middletown, Ohio.*

It is one of the best reform papers in the country. *Sunday Mercury, Philadelphia.*

It is an excellent family newspaper. *Advocate, Stamford, Conn.*

It is far ahead of any Eastern paper we have examined. It is a most welcome visitor to our sanctum, and we always greet it coming with delight. Its columns never fail to glisten with choice original literature. *Northern Illinoisan.*

REMOVAL!

I HAVE removed my store to the room one door above G. Abernethy & Co., formerly occupied by F. B. Miles & Co.

WM. C. DEMENT

PACIFIC UNIVERSITY.

Forest Grove, Washington County, O. T.

Rev. S. H. MARSH, A. M., President and Acting Professor of Mathematics.

L. D. SHATTUCK, A. M., Professor (elect) of Ancient Languages and Literature.

Other Professors will be appointed to the several Departments as the advancement of classes require.

THE first class will be admitted to enter upon the regular course of study in this Institution on the 2d Wednesday in September next, when the collegiate year will hereafter commence.

As the Trustees do not depend upon the tuition fees for the support of the Faculty, they are able to offer to students, however few in number, all the facilities needed for securing a thorough collegiate education. A Library of 1000 vols. and philosophical apparatus are for the use and benefit of scholars. Candidates for admission must possess a knowledge of the usual branches of a common English education—the elements of Algebra to Equations, and must pass a satisfactory examination in the Latin language upon a portion of Cæsar's Commentaries, and four orations of Cicero; and, in Greek, upon the 1st book of Xenophon's Anabasis, or their equivalents.

A preparatory department is under the direction of J. M. Keeler, Principal of Tualatin Academy. See advertisement.

The healthfulness of its location, the comparative smallness of the expense required, and the freedom from dangerous temptations that its students enjoy, recommends this Institution to those seeking opportunities for education.

Tuition will be $32 per annum.

Board can be obtained at from $3,00 to $4 pr. week.

Young men earnestly desirous of learning, but wanting the pecuniary means, can here find ways of aiding themselves—in regard to which, or, for information as to the course of study, address Rev. S. H. Marsh, Tualatin P.O., Washington county.

G. H. ATKINSON,
Sec. of the Board of Trustees.
