LIFE ILLUSTRATED.

OUR NEW NEWSPAPER.

With the present number we make a Prospectus for a New Weekly Newspaper.

It is not our purpose that it shall take the place of our Monthly Journals. These have become necessary to our readers, with their special business, and too much labor and by our subscribers to be dispensed with. But in these days of rapid events and wide geographic, monthly visits seem insufficiently frequent. Our noble ocean steamers cross the Atlantic and return between every twice. Besides, we have not sufficient space in these Journals to convey information of the doings of the world. We therefore have concluded, in addition to our Monthlies, to make weekly visits to those who may desire it.

In these more frequent calls we shall not confine ourselves so strictly to professional matters; but will talk of the crops, the markets, schools, lectures, amusements, &c., and try to make our visits as agreeable as possible.

A New Volume.

A new volume of the American Phrenological Journal commenced with the July number.

[illegible] for the year to [illegible] for more than three or four weeks as may be convenient. The numbers will be carefully filled, and the Journal will be improved.

Clubs for any number of copies may be formed and sent to the Publisher at once.

Terms: single copy one year, $1. Five copies $4 [illegible] copies $7. 20 copies $12.

The Water Cure Journal is published at the same rates. Address, post paid to

REMOVAL!

I HAVE removed my store to the room one door above G. Abernethy & Co., formerly occupied by P. B. Miles & Co.

WM. C. DEMENT.

PACIFIC UNIVERSITY.

Forest Grove, Washington County, O. T.

REV. S. H. MARSH, A. M., President and Acting Professor of Mathematics.

L. D. SHATTUCK, A. M., *Professor elect* of Ancient Languages and Literature.

Other Professors will be appointed to the several Departments as the advancement of classes requires.

THE first class will be admitted to enter upon the regular course of study in this Institution on the 2d Wednesday in September next, when the collegiate year will commence immediately.

As the trustees do not depend upon the tuition fees for the support of the Faculty, they are able to and will be studied, however few in number, all the facilities needed for securing a thorough collegiate education. A Library of 1000 vols. and philosophical apparatus are on the use and benefit of scholars. Candidates for admission must possess a knowledge of the usual branches of a common English education—the elements of Algebra to Equations, and must pass a satisfactory examination in the Latin language upon a portion of Cæsar's Commentaries, and four orations of Cicero; and, in Greek, upon the 1st book of Xenophon's Anabasis or the equivalents.

A preparatory department is under the direction of J. M. Keeler, Principal of Tualatin Academy. See advertisement.

The healthfulness of its location, the comparative economy of the expenses required, and the freedom from dangerous temptations that beset the young, recommend this Institution to those seeking a pure and cheap education.

Tuition will be $32 per annum.

Board can be obtained at from $2 00 to $4 per week.

Young men earnestly desirous of learning, but wanting the pecuniary means, can here find a way of aiding themselves. In regard to which, or, for information as to the course of study, address Rev S H Marsh, Tualatin P O, Washington county.

G. H. ATKINSON,
Sec. of the Board of Trustees.
