A fresh supply of CHARMAN & WARNER

GREAT AMERICAN BOOK. WE are glad to see, by a prospectus in a late num-ber of the "Knickerbocker Magazine," that some of the literary friends of E Gaylord Clark, Esq., the popular editor of this work, have devised a plan for his benefit. It is the publication of a splendid volume, composed of original articles written ex-pressly for the book by fifty American authors, among whom are Washington Irving, Fitz Greene Halleck, Wm. C. Bryant, H. W. Longfellow, Don-ald G. Mstehel, G. W. Curtis, N. P. Willis, and others. The volume is to be illustrated with por-trains of the writers, finely engraved on steel from or good pictures, and promises to be in every way one of the med attractive books ever issued in this The object of the committee who have charge of the publication is to raise from the profits of the book a sum sufficient to porchase a Hoss for Mr. Clark, who has, for over twenty years devoted himself to his literary labors, and, as is too of ten the case, without reaping that reward which should by this time have med, him independet.

We give the project our most hearty approbation, and hereby authorize Mr. Harston to put us on his list for five copies of the book in the best binding. The book is to be sold entirely by subscription, and we should think that, among the thousands who read the "Knickerbocker," ten thousand copies would be called for very soon. This would insure the success of the noble plan of the committee, and would prove a substantial and welf-deserved compliment to one of the best editors in his line that

We will only add that the "Knickerbocker Gallery" is to be published by Mr. Samuel Hueston, 348 Broadway, New York, at five dollars per copy in cloth gilt, and seven dollars in morocco extra binding. Send your name at once to the publishe and secure an early copy.
