LIFE ILLUSTRATED.

OUR NEW NEWSPAPER.

With the present number we issue a Prospectu for a New Weekly Newspaper.

It is not our purposethat this shall take the place of our Monthly Journals. Those have become in timately connected with our special business, and too much beloved by our subscribers to be dispens too much beloved by our subscribers to be dispensed with. But in these days of railroads and telegraphs, monthly visits seem insufficiently frequent. Our noble ocean steamers cross the Atlantic and return between every issue. Besides, we have not sufficient space in these Journals to convey information of the doings of the world. We therefore have concluded, in addition to our Monthlies, to make weekly visits to those who may desire it.

In these more frequent calls we shall not confine ourselves so strictly to professional matters; but will talk of the crops, the markets, schools, lectures, amusements, &c., and try to make our visits as agreeable as possible.

ocable as possible.
