The Boy That Laughs.

I know a furny little boy, The happiest ever born; His face is like a beam of joy, Although his clothes are torn

I saw him tumble on his nose, And waited for a groan; But how he laughed! Do you suppose He struck his funny bone?

There's sunshine in each word he speaks His laugh is something grand; Its ripples overrun his cheeks, Like waves on snowy sand.

He laughs the moment he awakes, And till the day is done; The echool room for a joke he takes, His lessons are but fun.

No matter how the day may go, You cannot make him cry; He's worth a dozen boys I know, Who pout, and mope, and sigh. GEORGE COOPER.
