WOOD.—We are in want of wood, and there are several dealers in that article hereabouts who have never subscribed for now paid a cent into this establishment. Dick Stewart's revolver, which he was carrying in his cantenas as he had done for years previous, the other day "went off" on its own motion. It did no damage; but it is wonderful to relate that no damage was done by a half-pound canister of powder which was in the cantenas and which exploded. Dick's was a narrow escape.

The afflicted cannot afford to miss this opportunity of being cured at home. The Doctor makes no charge for consultation and examination, and his terms for treatment are within the reach of every one.
