LOCAL AND OTHER INTELLIGENCE.

In company with J. B. Keeney, the popular Agent of the N. W. S. Co., we on Saturday last took up the line of march for a flying visit to Weston.

We were authorized to announce the name of T. J. Lacy of Weston Precinct as a candidate for the office of SHERIFF, subject to the action of the Democratic County Convention to be held at Pendleton, April 5th and 6th 1878.

Notice—All persons having guns or equipage belonging to the state who have not given bonds for their return are requested to return the same on or before the 1st Monday in April next to the Sheriff of this County at Pendleton. If not returned by that time they will be collected by the Sheriff at the expense of those having them in their possession.

County orders are scarce at present. Mrs. F. F. Victor gave us a call this week. Dug Bailey returned from Portland last Saturday.

Abel Jacobson has a billiard table on the road to Pendleton. Frank Beagle has gone to Lewiston, Idaho. We understand that Van Dora intends closing out his stock of furniture.

B. B. Bishop took his departure by stage to Umatilla last Sunday. Mr. Lyons, our tinsmith artist is constructing a bath room. Good. Ed. Bishop has gone to Heppner. He took his departure Monday morning last.

The Umatilla river has been quite high of late but is at present falling. Why don't some one bring some fresh butter to town. We'd like some about now.

Miss Amy Crane is very sick with disease of the heart. No one is going dirty now. Mr. Lyons' bath rooms will be ready for use in a few days.

Thanks to "A. N. W. S. Co." driver from Walla Walla to Cayuse, for favors. Dave Horn and Ellis, Cayuse. The Taylor Family give a grand ball and entertainment in Weston next Monday, March 18, 1878.

Weston Lodge, A. F. and A. M. Weston, Oregon, has purchased a two-acre lot of ground for cemetery purposes. Wm. Nathan returned home Monday after a short sojourn among us. Visit us again—"Bill."

Prof. King arrived last week. Prof. K. comes as a teacher for our brass band. We have known the Professor for a long time and can say without fear of successful contradiction that he is an excellent musician.

Movements are on foot by which arrangements may be perfected to have Idaho freight pass over the Umatilla road, so says rumor. Full particulars at another time if such report be true.

Go to G. W. Webb's tin shop if you want a new stove or another for the stove or tin. He has a splendid stock of new goods on hand and is determined to sell.

Mr. Webb, County Treasurer informs us that during January he sold school lands to the amount of \$1,500. In February \$5,500. Pretty good.

Mr. Hathaway of Grande Ronde was in town during the week looking about in search of a building on Main street in which to open a confectionary and novelty establishment. Finding none he returned, as many others have done, with the sad news none can be had nor ground to build on.

Since the above was in type we learn that Mr. Hathaway has secured the east portion of Van Dora's building next door to the Independent office and under the Good Templars Hall.

We understand there is a family in Weston who have implicit confidence in the efficacy of prayer, and are daily heard to ask that an expected heir may be a girl. The faith of that family would remove a sycamore tree we think.

Senate sub-Committee on railroads unanimously agreed on Mitchell's bill, granting three years time to the Oregon Central R. R. Under this bill all lands are to be thrown open to settlement—the company getting the proceeds. The same Senators constitute sub-Committee on N. P. Bill.

The prominent Chinese merchant of San Francisco, recently returned from a visit to his native country, states that in about three months a Chinese door steamer will visit us. The ship will be manned by a Chinese crew. The officers are American or European. She will have as passengers the Chinese consul for this port and a large number of Chinese mill-tars, who come on a tour of observation to this city.—Portland Ex.

Heppner Items. The farmers are generally through weeding, and are now engaged repairing fences, etc. Sheep men docking their flocks and looking a "beetle out" for the little ones expected soon, i. e. the "little lambs."

Bullou & Co. have bought 800 head of cattle in this vicinity, to be delivered April 20th. Several other buyers here and cattle on the range.

F. M. Stewart is building a fine dwelling house and G. W. Harrington a nice substantial barn. H. Stover and Mr. Clark sold Heppner a visit lately. Come again. Some of the boys got into mischief (chickens) on the night of the 7th.

A man called "Dutch John" was found next morning lying by the road side in the suburbs of town with a cut in his side. No clue as to who did it.

The wife of W. E. Nardy presented her Lord with a 9 pound nugget on the 21st inst. It was a girl. Father and child both doing well.

Mr. Shortridge, boot and shoe maker, sold his store house to a man from Weston for \$800. The purchaser intends engaging in business here. His wife will open a millinery shop.

Mr. Heppner has sold his interest in the store to Frank Maddock. It is rumored that Mr. O. H. Hallock has bought in with Mr. Maddock.

Several new cases of diphtheria at Heppner. Mr. Newell of the firm of Henson & Newell is dangerously sick with that dreadful disease.

W. J. Leazer expects to start a tin shop and a dentist is expected to locate here at an early day.

Town lots group. Miss Jessie Smith was offered \$150 for 33 feet front with privilege of moving buildings off, but declined the offer.
