Wit and Humor.

THE Welsh word for milk is "cwrw." Let's hear you ask for some.

A SMALL boy, arrested for throwing found himself standing alone, deserted by those who had drawn near in sympathy said Reginald, "and so the quarrel in stones at the windows of Independence Hall the other day, got off on the please with him, for Thompson was the tyrant of the achool.

the school.

Presently, when the boys had returned a better and a wiser boy. He never bulto their places by the fire, and Reginald lied any one again.—The Churchman. A DETROIT milkman was going to raise on prices when he heard that 300 cattle had been burned to death in Terre Haute, but a boy smashed him with the information that they were Texas steers.

"No," said he, "you must not say any--Free Press.

A school-nouse lot in a New Hamp shire district stands in three towns, so that the pupils sit in Rindge, the teacher in New Ipswich, and the recess is taken in Ashburnham, Mass.

In ancient days the precept was, "Know thyself." In modern times it has been supplanted by the far more fashionable maxim, "Know thy neigh-bor and everything about him."

A MAN made a bet that he could ride the fly-wheel in a saw-mill, and as his widow paid the bet she remarked: "William was a kind husband, but he did not know much about fly-wheels."

A POSTMASTER Writes: Please stop Mr. Biank's paper—he is dead now. We re-sent the insignation that the Interior killed him. Another P. M., to whom an inquiry was addressed in regard to a sub-scriber who went to heaven leaving his subscription unpaid, replied: "He is still dead."

"I think I shall like you," he returned;
"but I must wait and see how you go on.
I think you've the right spirit; but you
must take my advice about the knife.

There was a struggle in Reginald's

mind. It was very hard to give up the knife that Alice had saved up her pocket-

money to buy for him! Still, Barton had

been at school for some time, and knew

better than he what ought to be done, so

his great surprise Reginald marched

straight up to Thompson. "I shall not,"

he said, "speak to Dr. Field about the
