IDAHO INDIAN WAR!

MOVING TROOPS.

BOISE CITY, June 15.—Nothing important has transpired or been learned here since yesterday in military quarters.

General Howard's scouts report the hostilities concentrating in large force at Stein's mountain, and the General is moving his troops in that direction.

Some fool, and no doubt one of Mitchell's worshippers writes to the Astorian from Portland, grieving over the defeat of his master and says that he is surprised at the result in Eastern Oregon.

The people of Eastern Oregon are not such fools as to assist in re-electing Mitchell to the Senate, knowing as they do that he is owned, body, soul and boots, by the Central Pacific R. R.

We understand here just who are our enemies, and we know full well that Portland and her citizens generally are not friends to our section of the country, especially the Mitchell portion of it.

Eastern Oregon favors and will ever favor the opening of the Columbia river to competition and therefore will labor to assist and encourage U. B. Scott & Co. in their laudable endeavors to unloose our fetters.

We spoke at the last election in thunder tones to one of our worst enemies and have placed him forever at rest, and the gentle voice of the people from the one counties will continue to be heard until we are free.

Eastern Oregon takes pleasure in announcing to "one of 47 others" that Mitchellism is dead and damned, as it should have been, for our good, forever; for the truth of which we only have to refer to about 800 others.

We trust the Republicans of the "the land of red apples" will keep their shirts on about the Democratic representatives from Eastern Oregon. They will all vote for a Democrat to succeed Mitchell, and under no circumstances can a vote be obtained for Mitchell.

Please put this in your pipe and smoke it, and when you send your men advise you to try out one of them we advise you to look out or you'll get an Eastern Oregon head put on you.

Our members elect may not be worth much such as they are the Republican party cannot buy one of their little fingers.

We are entitled to a Senator from Eastern Oregon and we feel confident that Eastern Oregon will get it. We have two gentlemen that are spoken of, either of whom will satisfy the people and either will make us a faithful and competent servant.

We refer to Hon. J. H. Slater and Judge McArthur. An Eastern Oregon man is what we want and surely as Eastern Oregon has elected the State ticket we will get it.

EDITORIAL NOTE.—June 15. There is little doing in wool the past week, and a larger number of buyers in the market than for some weeks previous, but the same indifferent feeling, noticed for a long time, was evident, and there is no indication of any improvement.

Holders are still disposed to close up old stocks at current rates, but sales can only be made at concessions. It is considered doubtful if the lowest point has yet been touched, as a lot of the new wool on the market is still held above the views of buyers, and offers for old wool have been generally from one to two cents under recent prices.

Combings wools are dull and prices nominal. California moves slowly, transactions for the week comprising 250,000 pounds spring and 26,000 pounds fall; Ohio medium, XXX and above, 34@36; Michigan, X, 35; fine New Hampshire, New York, Michigan and Ohio, 30@32; combed and delaine, 25@40; Kentucky combed and delaine, ordinary, 27@28; washed combed and delaine, 25; Texas, 15@27c, eastern and valley Oregon, 21@28c; super and X pulled, 27@30c; scored 23@25c; spring California, 18@20; fall California, 19@19c. Total sales of domestic for the week, 1,028,000 pounds.

WALLA WALLA, June 20, '78. EDITOR E. O.—Have this week, up to last night, been in suspense. This morning the Small Brothers found in the office an amended proposition from Ex-Gov. D. P. Thompson fully meeting every objectionable feature in his first proposition. As it now stands, the people will control the roads fully. The committee met at 2 o'clock this afternoon to arrange for the work of canvassing which will commence at once. Everything below is encouraging. The N. P. Co.'s agents are here and of course use all the ice they can, but we as a people want the keys to the Columbia river. Talk this enterprise up. I now know all will be to the satisfaction of the people. Say to the people of Umatilla: Thompson is not disposed to play for any advantage over them. All is certainly fairness. The balance I will give you when I come. HALL.

The average Democratic majority for the State ticket in Umatilla county at the last election was 305; that of Linn county 296 1/2. Linn is the banner county but only by a scratch. Mart you must wet up your sword for the next campaign or Umatilla will get away with you yet. We lost this time and will cheerfully set up the larger the next time we meet, but you've nothing very great to boast of this time; 19 more votes in this county would have beaten you.

MASSONIC GRAND LODGE.—The Grand Lodge of Masons for Oregon installed the following officers on the 13th inst. for the ensuing Masonic year: Robert Clow, M. W. G. M.; T. G. Reams, M. W. Deputy G. M.; F. B. Dunn, S. G. W.; T. Wright, J. G. W.; Theo. Wygant, Grand Treas.; J. R. P. Earhart, Grand Secretary; J. R. Bell, G. Chap.; H. H. Gilroy, Grand O.; M. V. Brown, S. G. D.; D. P. Mason, J. G. D.; T. H. Can and T. G. Richmond, G. Stewards; J. Conser, G. S. B.; I. W. Case, G. J. B. The Grand Lodge closed its session June 13.

A SAD AFFAIR.—A telegraphic dispatch from Oroville (Cal), dated the 8th, announces that Dr. B. F. Holsclaw, of Durham station, that morning killed his wife and himself. He had been married but a week. Jealousy is assigned as the cause of the affair. Holsclaw was well known in this section, having one time represented Josephine county in the Senate, as well as serving one term as County Judge there. He was also warden of the penitentiary under Bill Watkins; but of late years has been engaged in the practice of medicine here, Oregon over a year ago.

Whitaker's majority is about 800. Thayer's, about 70, and Stiles is elected by about 100 majority. Good enough.

CONFERENCE SESSION.—From a private letter by Bishop Andrews to Rev. C. V. Anthony, we learn that Bishop Andrews will preside at the coming session of the Oregon Conference, (M. E. Church) to be held in Salem, a. d. that the time of the conference next of the session is fixed on Wednesday the 28th of August. The Columbia River Conference will meet in the early part of September at Dayton, W. T.

Its competitors receiving only an award for some special feature of their machines.

The World-renowned Wilson Shuttle Sewing Machine

Has Unlimited Capacity to do all kinds of Family Sewing and Manufacturing.

ITS PATENT AUTOMATIC "CUT OFF" on the hand wheel prevents the machine from running backwards, and obviates the necessity of taking the work from the machine to wind thread on the bobbins, which must be done with all other Sewing Machines, to the great annoyance of the operator, especially in locking, hemming and ruffling. It does one-third more work in a given length of time than any other Sewing machine.

WITH EVERY MOTION OF THE FOOT THE MACHINE MAKES SIX STITCHES.

IT CANNOT GET OUT OF ORDER, AND THE ADJUSTMENTS ARE ABSOLUTELY PERFECT. A properly executed Certificate is furnished with each machine, guaranteeing to keep it in repair, free of charge, for five years.
