EASTERN STATES.

The Graps. CHICAGO, Aug. 2.-President Keep has just returned from a trip over the Northwestern railroad and half its tributaries. As he has carefully examined the crop prospects in the regions where the greatest damage has been lone by unfavorable weather, his conclusions are of interest. He says corn was backward until two or three weeks ago, when it took a ndden start and is forward as usual at this this time. In lowa it promises to be as good as last year. Wheat is generally injured largely by the heat, the injury being in Northra Iowa and Southern Managema. Pacific Mail and Union Pacific. New York, Aug. 4 .- The World says : A large shareholder and prominent director of the Pacific Mail Steamship Company said yesterday, after consultation with a lawyer of the company, that it had been decided that there does not exist any binding contract with the Union Pacific Railroad. The reason assigned And other PRODUCE taken in exchange at the HIGH- is that the form of agreement which was hah pro rata rates and limit the number of steamers to be dispatched by the steamship mpany was never legally ratified and scaled Renry Bart and the company had not received any official notification of advance in freights made by the Union Pacific Bailroad. He also contended that the company ought gration. not to be compelled to conform to the in-creased schedule for that reason. A circular, he said, had been issued to merchants and shippers saying that freight would be taken at the old ruling rate of \$5 per 100 pounds. There has been nearly a sufficient amount of engagements already made on that bases for the next steamer to give ber a full cargo. It was also the intention of the company, said, to grant favorable concessions to large shippers, if contracts were made for large shipments; or if a erchants were willing to en gage to ship all their goods by the Pacific Steamship line prompt connection with the Panama Railroad would be guaranteed and reduced rates would be made. Hart also added that when connection between the company and the railroad is formally severed on the 1st of September the Pacific Mail Steamship and entirely in the interests of Eastern mer-
