EASTERN STATES,

Silver Coinage. WASHINGTON, Aug. 23.—The amount of silver dollars coined up to the 10th of August was \$11,472,500; amount on hand \$10,079,487. It thus appears that \$11,393,013 has been placed in channels of circulation. Demand slowly but steadily increasing.

Indian Prisoners. CAMP ROBINSON, Neb.; Aug. 23 - About 200 Cheyenne Indian prisoners arrived here to-day on route from Fort Lincoln to Fort Dodge, Kansas, in charge of Ben Clarke, a well known Cheyenne interpreter and scout, and guarded by a company of the 7th cavalry. These are the hostiles that were captured ficar Fort Lincoln some time this Summer, while going to join Sitting Bull. Big Wolf, their et, is well known here. The company of the 7th cavalry who has guarded them thus for will return to Fort Lincoln, their present station, and a detail of the 7th cavalry from this post and Camp Sheridan, will guard them during the remainder of the trip.

Railroad Suit Decided. DESVER, Aug. 23.—A decision in the U. S. iroust court for Colorado, Justice Hallett proaling, in a controversy between the Benyer A Rio Grande Railway Co. and Atchison, Topeka & Santa Fe Co. automnood title morning. was in effect that both companies have the in that directs right of way through Grand Canyon, and the tion has been modified to allow the Denver & Rio Grazule Co. so to construct their read without interference with the located unles east of Medicine Bow, next a deep line of the Atchnon, Topeka & Santa Fe Co., ravine, gave rose to suspicion that it had been which company in turn is required so to construct as not to jojure the Denver & Roy Deputy Sheriff Widdowfield and another expensive. He understood both companies lieved to be t e trail of the would-be will proceed with equal rights under the pro-robbers, and not returning, a large tection of the court. Another suit is pending party started in search of them last Sounday on behalf of the Denver & Em Grando Co. to | One of the porty has returned and states that

Minnesots Wheat. St. Patt, Aug. 23. - The Princer-Press ed. chest. torially estimates the aggregate wheat cropof the State at 25,000,000 husbels; acreage, 2.225,261; average yield per acre, 11 bushels. Below a line due east from St. Paul the yield is probably 10 bushels per acre. This region rested this morning noge 10 furnishes three-fourths of the crop. Above, a sharp skirmish, in this line the yield is estimated at 15 bushels budly shattered.

Engagement with Illicit Distiflers. NASHVILLE, Aug. 24.—Revenue officers re- special says: A deput port an engagement with an armed hand of a detachment, left he illicit distillers in Overton county, headed by Col. Martinez and also amphell Morgan at 7 P. M. yesterday. The era for violating the v revenue officers were under the for 45 min- ing forces on Americautes, and Philips Pappins and Smith were last May. wounded. Commissioner Exam has given Collector Woodoock authority to send enough men to capture the entire band. He is now getting up a posse for that purpose

Mosby Wants an Office. Cincago, Aug. 24.-The Journal's Washington special says: Among the indersers of Colonel Mostly for a position as assistant at-torney general were E. W. Stoughton, Scsoon Came on, and several Union officers who had been prisoners during the war. The General Stoughton whom Mosky captured in led at Fairfak Court House, Va., was a nephew of E. W. Stoughton, and the Stoughton family have always been very friendly toward Moshy on account of his courteous treatment of his prisoner. The President, for satisfactory reasons, concluded to make no clange in one assigned to service in the post office department and one to the degartment of the and the Howard and other relief aterior. It was then determined to offer

Made a Sisbop. RICHMOND, Aug. 25. - Rev. John K. Kee of Wastangton, was consecrated to-day bishop of the diocese of Richmood and vicar apostolic of North Carolina. The congregation in St. Peter's Cathedral was large, several bishops and many priests being present. The music was grand and ceremonies inpressive. Bishop Gil-bons, of Baltimore, was consecrator, assisted by Bishops Foley, of Chicago, and Kaine, of Wheeling. Esstop-

Lynca preached the sermon P. M. S. S. and Railroad Contract. New York, Aug. 26.-It is stated that a new contract has been drawn up which will se signed by officers of the Pacific roads in a few days. It calls for a maform San Francasco passenger rates, rail or steamer at \$137. in commiscration of which the Paritic Mail is to receive \$10 head money for every through passenger carried by the Union Pacific to and rom San Francisco. This is an increase of \$5 head money over the Clyde contract of 1876, and it is estimated will yield to the Pacalle Mail treasury monthly the sum of \$22. 000. It is also understood that both companies are to act independently in the matter of freights regardless of each other or of existing circulars. President Babcock of the l'acitic Mail peremptorily declining to enter into any scheme that would require an advance in the freight rates now being charged by the

Large Strike. PHILADELPHIA, Aug 26.—One thousand men in the iron mills of James Rowland & Co., Stephen Robbins & Son, Marshal Bros. & Co., Philadelphia Iron and Steel Co., Hughes & Patterson, Fairbill Iron Co. and John P. Verre, notified their employers last night that they would not come to work on Monday at the proposed reduction of wages. The strikers are members of amalgamated association of iron and steel workers of the United States. beadquarters at Pittsburg, and the strike has taken place with the sanction of that body, which agrees to support the strikers.

tan't Be Naturalized. SALT LAKE, Aug. 26. - A Mormon with two Booth. wives took them before the third district ! court in this city to-day, asking for naturalization papers for the second wife. She answered affirmatively to the question whether she was living in polygamy, whereupon the district attorney objected that she was not of good moral character. The objection was sustained. The Evening News, the Mormon church organ, advises polygamous wives here-after, in any matter in which the law of the land is concerned, to call themselves by their maiden names, and in any court to take the position of unmarried women,

Labor Committee. New Yonk, Aug. 25.- Howitt read a card from John Peters accusing the committee of wickedly gathering up all crazy men in New York to testify and make labor ridien-

Chas. H. Maxwell, a ship owner, attributed the decline of the American shipping trade to England outstripping the United States and to the navigation laws, which are oppressive. Ship owners got absolutely no return. By running ships they only saved themselves from greater loss which they would sustain if the ships laid idle. Economy in national, State and municipal governments, with the abolition of our navigation laws, would soon bring good times around, Vice President Walker, of the Gold and The death roll to-day exceeds that of any

government supervision of all corporations, tentative financial and fiscal legislation and a slight protective tariff would produce another era of activity and prosperity. Adjourned.

Fight With Distillers. Nashville, Aug. 27. - The American's special from Lebanon says the revenue fig at a Orten continued till Sunday afternoon, the | 2,000 people for 20 days, provided a frain can oshiners having bettimed the revenue menn a house. Citizens from Cookeville arrived and pursuaded Morgan to allow the revenue

men to withdraw to Cookeville. Troops for the Pacific Coast.

OMARA, Aug. 27.—A special train of six couches, having on board 263 recruits from New York, lets Omaka at 11:30 A. M. to-day. thirty minutes about of the regular express me, and will run through to San Francisco on regular time, arriving there the 31st. The ta are to be assigned to duty in the Eighth and Twelfth regiments of Intantry in California. They were in charge of Capt. Cocheige, of the Seventh Intantry, Lieut. Hancock of the Second Infantry, and Licut. Sarber, Sixteenth Infantry. The Liferts in Inrope.

Canned Butter.

menced against Oliver Chapman, late Indian agent at Camp Verde Reservation, Arisona, Such has been the progress in the manufacture of American butter that and his survives, Wm. B. Hooker and Charles that article is now marketed in all sorts of shapes, both for home use and foreign vation from October, 1874, to June, 1875, and export. Fine creamery butter is made on his retirement his accounts showed a deto retain its sweetness and purity, kept however long, in any part of the world, espec ally in the wermer climates. Ships Altogether his defalcation amounts to about making song voyages, or parties going on a cruise, and people living in isolated sections, with no opportunities for making or purchasing freshly made butter, as Michael J. Kelly, ex-supervisor of the 12th now no longer need eat poor butter when a nice article can be obtained that will retain its flavor for an indefinite who was on horsetiack. A few angry words length of time. Canned butter now passed, when Russell drew a revolver and tired one shot without affect. Kelly returned figures in the exports of the United States quite prominently. The butter Russell rode off rapidly to the corner of is packed fresh from the churn, at the Turk and Hyde streets, where he dismounted packing room of the creamery. In the and entered a drug store. Examination showed that one shot had pierced his left method of regulating the temperature lung. He was abortly after arrested and taken to the city prison bospital for medical treatment. The wound is dangerous. Kelly Surrendered himself. The difficulty arose from San Francisco, Aug. 30.—This morning the sudden death of Adelain Guelinger, adopted daughter of Pauline and Arthur

lies the great secret of the success which our American creameries have obtained. Butter sealed in cans is free from foreign substances, such as salt and pickle. A can of butter that had been sealed nearly a year was found by an analist to be as fresh as when made, and was not affected in the least by the tin. It has also been ascertained by experiment that dairy An autopsy was soon after held upon the boay, but the cause of death was not ascerbutter is more liable to melt in a warm tained. A jury; was impaneled and viewed temperature than creamery butter, for tive body, and the stomacn was removed and the reason that the latter consists of only given to a chemist for analysis, by which it a single churning and is packed closer, while the fermer generally consists of SAN FRANCISCO PRODUCE MARKET. several churnings, which are apt to vary EXPOSTED OF TRADSCRAFTS SPECIALLY FOR THIS PAPER ST in quality in hot weather. The introduction of canned butter is destined to become a large industry, and the success of the movement is assured. The principal rival to American enterprise in this industry is Denmark, which country has for some years exported canned butter to various bot climates, but chiefly to South America. The great Expres - California choice fresh, Edgestic Eastern, 25ch

care taken by the Danish dairymen to

preserve the grain of their butter, has

given them an advantage in the past, so

far as the foreign export trade is con-

corned; but it is now claimed that the

American made article is superior to the

Danish article in some respects, and that

it can be (and is) sold at a less price than Danish butter, which is its competitor. Very little of ter is seen in our marbet is put up by butter and private parties v
