Relying drive out the savages as he had done before, upon you, sir, and the militia of your Brirnd (Oh! what benefactors these sharks are) gade to assist in carrying out the views can now take 160 acres of wild waste for abuses mentioned, the privilege instead of his 80 acres that he now has.

Everyope knows that knows anything about the settling of the lands along the From "The Old Philosopher."

line of these proposed railroads that when there are settlements at all, nine tenths of Mn. EDITOR :-"WHAT SHALL WE DO WITH OUR BOTS ?" the even sections are taken, so that the law can be of no possible advantage to one set-tler out of ten. He is left just where he was

before the law was passed with the recollec-tion forced sensibly upon his mind of the fact that "republics are indeed very ungrate-ful." Again, another feature of the law: Persons taking pre-emptions within rail- others. I feel almost ashamed for the good road limits were required to pay \$2 50 per name of our town to state it, but the truth road limits were required to pay \$2.50 per acre. This law makes no provisions to re-torn this class of settlers the extra \$1.25 per acre that they have paid and no pro-vision for the relief of those who have not yet paid, but they are still required to pay this double price.

this act was passed, for, we are loth to believe that all members of Congress are in with such jobbery. We trust that the present Congress will look into this matter and try and do something that will in truth be of innate in every soul. Even if such be the some advantage to the settler. This can be done by simply allowing the homestead sot-tler to take his full quoto of land any where government lands can be found with a few days since. About twenty of the riswhere government innes can be found with out restricting him to lands adjoining and within railroad limits and by reducing the price of lands pre-empted. ing generation were engaged in this "attack on the enemy." I hope there is truth in the report that all the boys who were en-gaged in smashing windows, etc., will be punished by imprisonment. It will be a

wholesome reason to them, their beat more will probably be an attack on a Chinese handry. Now I do not pretend to say that all these boys are bad boys at heart, but they must be From the Governor of Oregon. EXECUTIVE OFFICE, SALEM, A March 20th 1879.
