LOCAL AND OTHER INTELLIGENCE.

PERSONAL.—Op Scott, Agent, Haskely, Dodd & Co., Weston, and A. R. O'Leary, Newberry & Chapman, Kent, Walla Walla, came down upon the "Columbia" on the 10th, this week, "back to us" and "home for us" in style. These gentlemen are chock full of "the" and we are glad to see their employ. A traditional employment is being sold by these two agents at a rapid rate, both represent first class houses, both good practical business men and fully "up to snuff." Call upon boys, when you please, and we have that you will see you will have your own "Squire" Dupre, the original, with you.

SETTLEMENT.—We propose to continue to name monthly a supplement containing the mark and brand of each article of Unatilla county who subscribe for this paper. The supplement will become handy as it is so constructed that you can find the name of any person by looking in the column containing the first letter of his name. There is his name, position, address, party brand, and what he does, and his name, home brand, etc. No article will be put in your hand if it is not explained or made in print. Every notice published in the paper will also be published in the supplement gratis. Subscribers send in your name and address. This is the only paper in Oregon that publishes your brand and mark gratis. Persons wishing who do not subscribe will send me simply upon application. Subscribers will receive it monthly.

CHANGED LOCATIONS.—Squire Dupre, the original boy, has been stopping in Grand Bend Valley for some time, but has given up that section and returned to Weston this week.
