Tobacco Slaves.

A writer to the Gentleman's Magazine who ably defends the moder ate use of tobacco, relates the following instances to show what a hold the habit may have on persons : "A city man that I know, gets half an hour for his luncheon or dinner in the middle of the day ; but he manages to cat a few his cuits during office hours, and spends his half hour walking up and down one of the quays smoking. This man walks to the city every morning from his home, the distance being three miles ; he also

walks home every evening, and he her hortsmann I shrink from this public smokes incessantly during the walks ten cowar " nil this comment, because of each way. He dines at 6 o'clock, and tailed colortunate fact of having been then smokes without ceasing until bed "norm in Mormonism at Nauvoo, Illinois, time. On Sunday he smokes all day, and reared in the church to my own dis except during meals. He will never atcredit, and certainly not to the glorifica- tend a place of worship, because it tion of the church. My experience is, would curtail his smoking. He will believed the doctrine, and taught me to home as it disturbs his smoking. In all ; for me not to believe it was a part of of mine, who is a highly intellectual real life; a part of everything that was and deeply read man, will tolerate nothgood and pure; therefore, before I expe- ing that may postpone his smoke. At rienced it, I, of course, had little realiza- dinner he is in a perpetual drive to get done, se as to begin his pipe ; he wants

The claunishness occasioned by the no pudding cheese or dessert; taking fact of polygamy is wonderful. The these would involve loss of time, and whole church membership have to up put off the smoking period a few minhold the doctrine, because they are utes longer. He likewise requires no tainted with it personally or by relation- tea or supper, protesting he is not hunship. The gentle view makes it a crime, gry, and that he does not wish to be disand hance they must herd together for turbed in his smoke. Another man consolution and comfort. And so it is that I know is in a government office, here. His house has been thoroughly usain while visiting the metropolis. point it is also their strongest, as it cur, such as the Queen's birthday, his holds them beneath the heel of the treat is to lie in bed all day and smoke. fitures suggested that there must be a smokes his last pipe in bed.

### The Winter at Washington.
