WASHINGTON, March 7.—Gen. J. O. Howard, before the Senate select committee on the Freedmen's bank, explained his personal account, which the books showed to be overdrawn \$2,415. He claimed that the amount had been reduced by deposits, slips and drafts, which do not appear upon the books, to some \$500, and the balance he could not admit or deny, owing to the length of time since the transaction and the fact that glaring errors and omissions have been discovered by experts in the bookkeeping of the bank. The failure of the bank was due, Gen. Howard said, to the Freedmen's Bank.

Disaster at Sea.

LIVERPOOL, March 8.—The British ship Isabella, from Pensacola for Dublin, has been abandoned at sea waterlogged. Eight of the crew have been landed at St. Michael's. The rest were drowned.

Shipwreck and its Horror.

St. John, March 9.—The Eliska was driven ashore last night and in a total wreck. She was driven close under a floating precipice. Boats were lowered only to be swept away, and all hands had to take to the rigging. Five unfortunately got into the mizen rigging, while the remainder clung to the mainmast and the foremast rigging. After bumping the rocks for some time, the vessel suddenly turned over on her broadside and all in the mizen rigging were drowned. Shortly after the master, Capt. Barry, put on a life preserver and managed to swim ashore for the purpose of taking a line, but never reached land. The first mate, named Bissell, fell over the jibboom and was drowned before the eyes of his comrades. The remainder of the crew clung to the wreck till the storm subsided and the tide had fallen, and then got ashore and crawled on their hands and knees up the precipitous cliff. Although thoroughly exhausted, they had to walk a mile and a half through the woods to reach a habitation. Fortunately the weather was not very cold and they were only slightly frost bitten.

The Sugar and Paper Tariff.

WASHINGTON, March 10.—In the ways and means committee, the subject of the sugar tariff was referred to a sub-committee, a majority of whom are known to be in favor of some reduction of duties on sugar. It is understood that an advertisement of 50 per cent. in all different grades of sugar is being prepared, and that the tariff is likely to be lowered by 25 per cent. There is a large gathering of manufacturers in Washington to-day, and several resolutions have been held with reference to a proposed reduction of duty on paper. The committee on ways and means has decided to hear arguments for and against reduction on Friday next.
