be the right man to look after the interests of his county. For him we will say with our fear of contradiction, that he is the very best man that could have been selected for this important position in Umatilla county.

It is Done.

And we still survive. Having passed through the throes of child birth under the vigilant care of Dr. Williamson, a very weak and lagged infant put in its appearance at the court house last Saturday, and as had been previously announced, the name of the child was "Division."

The proceedings were on a par with the efforts already made toward forming the party. The originators of the Division party had already gone to work at the wrong end, and they ended their labor in convention the same way, to-wit: Making the resolutions conform to the candidate in mind.

Dr. Williamson, the sire and accoucher, delivered his speech, which was framed in modesty and delivered with less gusto than we expected. To tell the truth the Dr. is a very retiring speaker, and his heart and soul was for the best interests of all the county, State and United States.

The next thing writing in on us was the Southern Methodist Church in the shape of O. P. Thompson, a man who is learned in the law, and who without spot or blemish, a perfect lamb...
