The total value of church property in the country is placed at \$500,000,000. The value of the church property of the Northern Methodist Church in the

South is estimated at \$6,500,000. The statistics of the Presbyterian Church for the present year show an increase over last in churches of fifty-

If Bishop Bedell says, ministers a only speak the truth in funeral sern, the demand for such discourses wo. rapidly decrease.

Over \$2,000 have been contributed for a Catholic Church at Newark, \$500 of which was given by President Davis, of the S. P. C. Railroad.

Christ Church, of Boston, erected in 1723, is older than any other church edifice in that city. Its Bible and several Prayer Books were presents from King George II, in 1773.

An Adventist Conference, held at Worcester, Mass., recently, discussed at length, certain prophesies of Daniel, and decided that the end of the world will come in February, 1884.

Chicago has 213 churches, besides 20 mission chapels and 11 Adventist and Spiritualist societies. The Catholics have 34 of the churches, the Baptists 22, the Lutherans 23, the Methodists 19, the Presbyterians 18, and the Episco palians, Congregationalists and Hebrews 10 each.

Confirmation of the Princesses

Confirmation of the daughter of the late Princess Alice, daughter of Queen Victoria and wife of Louis IV., grand duke of Hesse Darmstadt, took piace in the royal chapel at Darmstadt, according to arrangements previously announced The young princesses are Victoria Marie. They are respectfully 17, 16 and 14 years of age. The ceremony, which was that of the Lutheran Church, was very claborate and impressive, and was performed in the presence of Queen Victoria, Prince of Wales and Princess Beatrice, who had come from England especially to witness it, and several members of the imperial family of Germany and notables of Grand Duchy. The weather was favorable and the brilliant company filled the chapel. Immediately after the ceremony, the processes partook of holy communion. Steele, a prominent up town physician, was shot in the nose this evening by the well known electricism, W. E. Baryer. A quarcular rel arose from a misunderstanding between the wives of the two men, the husbands taking the propriety. diately after the ceremony, the prin-

A No. 5 Scutnilion. Wast Point, April 19 .- Superintendent Gaylor, writing expert of the New York Post Office, created a sensation by stating that he had discovered that the paper handed him numbered 8 and several others were written by the same hand. Who was the writer he did not know. It here a marked rescribiance to the note of warning found in Whittaker's room in several partie ulars. It is not yet announced who No S is, but Gaylor recommends that investiga-

tion be pursued in that direction. Violent Storm on the Lakes. Curcaso, April 12 .- The storm referred to in last night's dispatches developed into still greater violence toward morning, and M. A. WILSON, PORNERLY OF CRIEARS. in the city. This morning the Western Union Telegraph company had eighty-one wires and a first class bette. The house has been relief belte are examined, and the table will be seen. ion Telegraph company had eighty-one wises number, left the Morney last week for Amer-down, and communication was severed in from ports, malely the United States, with nearly every direction. Reports from such targe cargoes and many paramagers, points as were not cut off indicate that the storm was bidespread and has done serious fajory in many towns, north, east, south and west. It continues unabated. No turther disesters on the lake are yet reported, although any craft that were out just night must have suffered. The weather is turning

cold and threatening snow. . . The Texas Partie Bell. Washington, April 20 - The Schale rullroad committee considered Garland's till to extend to ten years more the time for completion of the Texas Pacific Builroad. Its terms were made identical with those of the the smeuded Northern Pacific bill, and the committee by a majority of one vote decided to report a bill for action without recommendation. Some members say that this will be changed to a positive recommendation before the bill is reported to the

A Eigemist Brenght to a light. Curraco, April 20.-B. Pidgeon, from Napanee, Canada, was arrested here by his wife, from that place, who charges him with bigamy. He ran away from her several child from his first wife, by which she dis-

covered his wheresbotts. Tunnel Under the St. Laurence, MONTREAL, April 20-Plans have been perfected for a tunnel under the St. Lawrence, and a rough estimate of the work has been made. A syndicate has the matter in hand, and it is said that wealthy men are behind the syndicate. The tunnel will be some eighty feet below the surface of the river, with double tracks, but no accome dation for foot passengers or horse traffic Surveys have been made and the plan de. clared quite feasible. The cost is estimated

at \$3,000,600. Christians Hade by Lightning. Braumanton, April 20.-Lightning strack the Methodist Church on High street during prayer meeting when 40 rersors were present, recently. The lightning came down from the roof through the meeting room and four persons severely shocked though none seriously injured, enusing much confusion. At the preaching later in the evening the pastor, A. D. Alexander, took the subject as his theme and the result was four converts. Damage to the church was slight.

The Michigan comet, Wasnesotos, April 20 .- The Smithsonian minutes in right ascension and 68 minutes ed carried away in snow slides. A land south. Arrested for Malpinetice.

Lieutenant Eckloff and detective Mille acting under instructions from District A torney Corkhill, arrested Ambrose Follio who carries on a drug store under the Co. onization building, on a charge of mat slaughter by causing the death of Miss Susa Wheeler. It is understood that the gran jury have found a true bill against Follio' and that Simpkins, the ex-treasury clerk. the principal witness against him. I prisoner denies any knowledge of the affai and says that he never saw either Mis-Wheeler or Simpkips
