CHURCH DIRECTORY.

EPISCOPAL CHURCH.—Services in the Episcopal Church on the second and fourth Sundays in the morning; on the third Sunday in the evening. All are cordially invited to attend these services.

METHODIST CHURCH.—Preaching 1st and 3d Sundays of each month; Sunday school at 10 o'clock; prayer meeting Wednesday evening. Strangers made welcome. A. C. Kirkman, Pastor.

Rev J C Chamberlain will preach very 4th Sunday in the M E Church, Pendleton. South Methodist.

BAPTIST CHURCH.—Preaching at First Baptist Church every second and fourth Sunday in each month at 11 a. m. and 7 p. m., by Rev W. H. Pruett, pastor. Sunday School every Sunday morning at 10 o'clock. Prayer meeting every Thursday at 7 p. m.

LOCAL AND THEIR INTELLIGENCE.

See to it that the name of T. J. Lucy is on your ticket for the office of sheriff, and you will be sure of a good and efficient sheriff for the next two years. Tom is both honest and capable.

Re-elect Jo. Keeney, the best clerk Umatilla county ever had. He is proficient, accommodating, and just the man everybody wants. Vote for him and you will always be proud of your vote.

SCHOOL.—Masters Virgil Perringle, Hurdin Mansfield and Miss Mabel Walter, have taken the lead in their respective studies in District No. 17, for the past school month ending May 12th. H S. GARFIELD

TULL FRAKES—Gave us a call this week, says he is a good Democrat, and if we would not laugh he would give us an item. Here it is: Wm. Willoughby, living at at the grove on Wild Horse creek, has lost 45 acres of good wheat this spring by cut worms.

TELL US—Who is Olmstead, the Republican candidate for judge of this judicial district? Is he a pilgrim? If not, who dug him up and where? The people all know, and will vote for judge McArthur in this bailiwick, without regard to race, color, sex or previous condition of servitude.

It would seem that Doug. Bailey was going to have the track all to himself in the prosecuting attorney race. Mr Eakin, seeing the utter hopelessness of an election, has resigned or withdrawn, and has concluded not to spend his coin on a race track where all the backers are on one side.

O. F. Thomson and P. J. Kelly are the Democratic candidates for representatives. See that their names are on your tickets when you go to the polls, elect them to the Legislature and then if you favor division of the county, petition the Legislature to divide it and we guarantee that it will be done.

DISASTER.—A week ago last Sunday the Palouse ferry boat was capsized, five men and one boy were aboard, McGrath and the boy, Marion Griffith, were drowned, a six horse team and a single horse were also drowned. Four of the men clung to the boat and were picked off by the Indians who were camped below.

We have made arrangements so that we can furnish the EAST OREGONIAN and the San Francisco *Chronicle* to all cash paying subscribers for the next year for the small sum of $4. Now is the time to subscribe. Besides getting the local items of your county, you will have the *Chronicle*, which stands first and best as a weekly newspaper on the Pacific coast. at

Kelly, Prim and Burnett have each served on the bench, and have given almost universal satisfaction as Judges of the Supreme Court. Waldo, Knight and Watson have no experience in that line, they are all, no doubt, clever gentlemen, but who wants a Supreme Court presided over by men without experience. Vote for Kelly, Prim and Burnett and let's have a Supreme Court whose decisions will be respected.

BRUTAL MURDER.—Near Heppner, last week, a long light complexioned sheep herder, by the name of E. Murphy, walked deliberately up to French, took out a six shooter and shot him down as though he were a dog. Murphy left and no trace of him has been had at this writing. Sheriff Sperry is using all the means at his command to capture him. Mr. French was a good man and citizen, and much respected by all. He has a large family of little ones.

Hotel keepers are born not made. Thos. O'Brian, of the Exchange Hotel, Walla Walla, is a natural—He and his excellent lady know just how to cater to the wants of their guests and anybody that goes there once, return whenever they visit Walla Walla, "and don't you forget it."

We are glad to learn that Mr O'Brian has secured the contract for furnishing the N. P. R. R. with telegraph poles and is also interested in the contract for furnishing the ties. We hope that both contracts may prove fat ones for Tom, for he is an energetic, enterprising gentleman, and deserves success in all he undertakes.

On Friday, the 7th inst., he took his departure for Baker City. "Grand gloomy and peculiar he sat upon the stage wrapped in the solitude of his own reflections," but alas he is fallen. He writes us, "veni, vidi, vici." He will return in a few days with a prisoner of war, and then no doubt he will beat his sword into a shepherds hook, and they twain will learn war no more. His many friends at Pendleton will congratulate him on this accession to his force and will receive him with open arms. To understand this fully read the following:

MARRIED.

ALEXANDER—EPPINGER—At Baker City, on Tuesday the 11th inst., R. Alexander to Miss Pauline Eppinger.

Sunday is the day set apart for recreation in our town, and our friend "Red," not to be behind the other boys engaged a nice young lady to go buggy riding. "Red" was in fine spirits and so was the team, as the sequel will show. When about four miles from town he concluded to turn the team and come home, the team refused and commenced coyoting around in such strange style that "Red" became frightened. He stuck to the team manfully and hallowed out of all reason, crying to the lady for his sake to jump out, and let him perish alone. The lady did as requested and did not stop upon the order of her going. His cries and supplications brought relief, and Harry Bickers caught hold of the frightened team and "Red" landed at his side full and overflowing with gratitude at his delivery. "Red" and his lady got into the hind end of the hack already full, and towed his team into town. "Red" says the occupants of the hack were the most hilarious crowd he ever met, that they laughed at him all the way to town, and for fear the whole town would laugh, he leaped out in the suburbs, left his girl to the kind protection of Harry, and wended his way to the stable a sadder and wiser man.

E. E. Turk, of Canyon City, Commits Suicide.

The following letter explains itself:

CANYON CITY, April 29th, 9:30 A. M.

DEAR BRO. HAZELTINE.—Last night I was robbed of Lodge funds—amounting to over Four Hundred dollars—God knows I would not wrong my Lodge out of a cent. If I do not recover it to-day I am lost. Remember me kindly to the members of my Lodge. Last night I did not sleep a moment thinking over my misfortune, but I hope I will not suffer much longer. I have but a few friends and you are one of them. God bless you and look out for my little ones. This is my last.

Yours in F. L. & T., E. E. TURK.

—*Grant County Times.*

Union County.

The Democracy of Union county placed in nomination the following excellent ticket. A correspondent writing us, says that harmony prevails in the party, which assures a good majority: Senator, Durham Wright; Representatives, J. J. Stevens, T. T. Tuttle; Clerk, W. Skiff; Sheriff, W. W. White; Assessor, O. D Goodall; Treasurer, John Carroll; Commissioners, Wm. Hunter, J. Sanders; School Superintendent, J. T. Outhouse; Coroner, J. S. Lewis.

PENDLETON.—From a private letter to his brother by Lieut. E. Farrow, we learn that the petition which was signed and sent to the Interior Department asking that the flat, south of the town be taken from the reserve so that it could be used by the town for building purposes, was presented to the proper committee, by Senator Slater, and that the Lieutenant had been before the committee and explained under what difficulties we are laboring. We may now hope that this much of the reserve will be thrown open soon.

PERSONAL.—We were placed under obligations to Lee Wheeler, this week. He is agent for the agricultural house of D. M. Osbourne & Co. He came in our office, found us behind with our work, took off his coat, rolled up his sleeves, took possession of a case and did us some good work. He formerly belonged to the *States Rights Democrat* corps. We know he will make a good agent for Osbourne & Co.

OPEN LETTER BUSINESS.—We have perused the open letter of Dr. Williamson, in the *Independent*, and will reply to it in our next issue. Our columns are crowded with news, outside of personal matter, that we can't find space in this paper for a proper reply to a very insulting letter. Dr., we will attend to you next week.

Capt. Martin, the Republican candidate for sheriff, gave us a call this week, he goes to the upper end of the county to show himself. We suppose you will find him every inch a gentleman, and a worthy competitor of Tom Lucy, for whom all good Democrats of the county will vote for our next sheriff.

Don't go fooling around, but vote for W. C. LaDow for county judge, and the interests of the county will be in safe hands. He is the right man in the right place, and with R. N. Stanfield and Mr Hunsaker as commissioners the business of the county will be done in shipshape and "don't you forget it."

Jimmy Carden requests everybody to bear in mind the fact that he is a cripple and that he can only get around by means of his wagon and respectfully requests the boys not to pull and jerk it around and tear it to pieces. Don't do it boys, go and buy your cigars of him but don't break his wagon.

J. L. Morrow, of Heppner, spent last Tuesday in town. Says the Democracy are solid over at Heppner, some want Division, but propose dividing within the good old party and do it amicably—no Dr. Williamson kind of Democracy for him.

Mr. Venner is doing first class work in his line. His photographs are the best that we have seen taken in this town. Satisfaction is always guaranteed. He also has a large stock of fine picture frames which he is selling at a very low price. Give him a call.

Those Boils, Pimples and eruptions on the skin are caused by a diseased state of the blood. A bottle or two of GOLDEN BLOOD SYRUP will eradicate all disease from the system, leaving your skin clear and beautiful. Try it.

Lot Livermore has sold his store building, occupied by R Alexander & Co, to that firm; consideration $4800. Mr L. has also sold his interest in the Pendleton Flouring Mill to Thompson & Bernhart; consideration $7500.

Buy your cigars of Jimmy Carden. Help the boy as he is an unfortunate cripple and a deserving young man. You will always find him on his little wagon on the street, with the best cigars the town affords.

The Adventists pulled down their tent and left us this week. Can't we have some other new religion promulgated among us? There are yet many old hardened sinners out of the ark of safety.

HORSES! HORSES! HORSES!—J M Leezer has deferred the sale of his horses 'till 11 o'clock, June 1st, 1880. Sale to come off at Umatilla, at Stanfield's corrall. Read his ad.

LEG BROKEN.—A man living at Vinson, on Butter creek, had his leg broken while scuffling. Dr. Clements, of Pilot Rock, was sent for to put him to rights.

Brodrick, the photographist, is in town and will remain but a few days. Now is the time to get your picture taken, as he is the best artist of this country.

Mr. H. H. Braddock has taken a large view of Pendleton, and those desiring a photograph of the same had better apply for a copy before his leaving.

I. Hathaway's soda fountain is to be had at the red store. All lovers of the harmless beverage can know where to find it.

Dr Kremer is at his office, over postoffice, night and day—when not absent on professional business.

E. Murphy, the murderer, was arrested in Heppner last Wednesday night.

The spring fights have set in. We had two or three in town this week.

Hon J S. White spent a few days in town this week.

Australian Scab Exterminator.

State of Oregon, County of Umatilla—ss.

I. S. Olney, better known as Cap. Hopkins, being duly sworn, say that we, the firm of Hopkins & Hill, residing near Pendleton, have used the Australian Scab Exterminator, manufactured by C. E. Williams Stockton, Cal., and sold by R. Alexander & Co., Pendleton, since April 1st, and find it an efficient cure; that we had 2,000 head of sheep affected with the scab in its worst form and after using the Exterminator find them entirely cured and no signs or traces of the scab left; that we have six bucks running on a small range which has been the range of scabby sheep and said bucks are perfectly sound.

Subscribed and sworn to before me this 19th day of November 1879.
