LOCAL AND OTHER INTELLIGENCE.

RECEPTION PARTY.—On Wednesday evening, the 20th inst., Mr. R. Alexander of the well known firm of R. ALEXANDER & Co., returned from Baker city where he had been for the purpose of forming a life alliance with one of the Baker county belles Miss Pauline Eppinger. About 9 o'clock on Thursday evening a large number of his friends assembled at the parlors of the Bon Ton Hotel and proceeded to the residence of Mrs. Dissonay, where Alec. and his beautiful bride were boarding, and a happier time was never had in Pendleton. About 11 o'clock the whole party accompanied the bride and groom to the Bon Ton, where a sumptuous reception feast had been ordered by Alec's. many friends. After partaking of the rich viands till all were satisfied, the company repaired to the Hall, where they "tripped the light fantastic toe" till the "wee small hours of the morn" warned all to retire from these scenes of gaiety and prepare for the labors of the approaching day. Alec. has much to be proud of for this happy reception, as it shows how he is esteemed by the people of Pendleton. We were there and were happy, and to our friend Alec. we say: Well done, may you live long and prosper, and may many little Alec's. rise up to call you Pa.

J. C. LEASURE Esq., late of LaGrande, has located in our midst, to practice his profession. Mr. Leasure comes highly recommended as an attorney and is a man possessing a mind well stored with legal learning. We welcome you among us and hope to see you succeed. Office with Wheeler Bros., opposite Court House.

FROM Mr. J. S. Delevan we learn that D D. Earp found, May 25th, 1880, near a spring on South Juniper, one bay horse and one bay mare tied together with rope. The mare was dead, (choked to death.) They were branded N C on left shoulder and hip. Mr. Earp cut the rope and let the horse go.

DR. GEO. C. HARRIS, late of Polk county has located in Pendleton, where he will engage in the practice of medicine. We have known the Dr. for 14 years and know him to be a thorough physician. He can be found at all times at his office or residence, unless professionally engaged See his card.

F. O. RICHARDS and B J Merrill have each received their commissions as census enumerators for this county and will enter upon the discharge of their duties on the first day of June. Mr Richards takes Alta, Lens and Lower Butter Creek precincts and Mr. Merril, Pendlton and Meadows.

W. P. LOCKWOOD, of the firm of Lockwood and Stover, proprietors of the Pioneer Stable, left for Portland last Sunday, to purchase a supply of wagons, buggies, etc. He will return to day. As soon as their new buggies arrive boys, you can take your sweethearts out to ride.

READ ad. of Sharon & Co., proprietors of the Planing mill. This firm is composed of J. H Sharon, John Watson and John Luhrs, all well known business men. Lumber of all kinds dressed and undressed always on hand, also doors, windows, sash, mouldings etc.

THE *Californian*, the best written and most readable magazine on our exchange list is before us. It is truly a literary treat and should be in the hands of every one who is interested in the far west. Send for it. No. 202 Sansome Street, San Francisco.

WE BELIEVE the late grand jury was composed of gentlemen although they were friends of ours, the *Independent* to the contrary, notwithstanding. We can't say as much of him from whom that paper draws its inspiration.

MR. J. W. GILMORE, proprietor of the City Hotel, Heppner, has refitted, refurnished and reopened that popular house, and the traveling public will find that the best hotel of the country, and a pleasant retreat after a days travel like an oasis in a desert.

POLITICIANS are on the rampage and are somewhat soured at each other. This should not be and the only way to cure it is to go the Red Store and buy a full supply of fine candies of Hathaway. He has the finest stock ever brought to Pendleton.

M. B. HUNTER will have an abundance of strawberries at an early day and will give a grand opening of strawberries and cream at Dr. Dickerson's ranch 1 mile below town, on Saturday and Sunday, the 5th and 6th of June. Everybody invited.

GOOD ENOUGH.—Mr. Healey, of Walla Walla, was in town this week for the purpose of locating and opening a shoe and boot establishment. He will be down at an early day.

LAY on McDuff and dam'd be he who first cries, hold! Enough We submit the above to the consideration of our friend over the way.

THIS county has been blessed with copious showers during the month of May and the result is crops look well and grangers smile.

THE CANDIDATES for county offices are nearly all out interviewing the dear people.

FIREMEN, don't forget the regular meeting Tuesday.

MEASLES still raging in Pendleton.

DIVIDE not that you be not divided?

UNCLE DAVY COFFMAN and wife were in the city this week.

MRS. RALEY has two children quite ill with measles and fever.

B. B. BISHOP, our associate, has been visiting Heppner this week.

PENDLETON is blessed (?) with 10 lawyers and still peace and quietude prevails.

JUDGES LADOW, Eastland and Sharon talk of holding a Supreme Court here.

WE ARE informed stockings
A-re 15 cents a pair at the
X-L Store.

THE BOYS had their fire engine out again last Monday, for practice. They are becoming quite efficient.

WE ARE under obligations to Senator Slater and Representative Whiteaker for many valuable public documents

MR. VILLARD informed some of our citizens, while here, that the iron horse would be running to Pendleton within one year.

IT APPEARS at last that winter has broken and we are destined to have some warm weather. It is about time.

1000 young, active men wanted immediately to buy candies, nuts, oranges, notions, etc., at the Red Store. I HATHAWAY, Contractor.

STRAGGLING candidates come strutting through Pendleton occasionally, looking careworn and sad. None but Democrats look cheerful.

"RED" says he intends committing matrimony before many weeks, and we would not be at all surprised as he has got to be quite a ladies man of late.

THE WEATHER has been quite cool for several days past. We hope to see it warm up a little after the election, at least so the defeated candidates will not chill to death.

FOR SALE.—A good, new, double seated homemade spring wagon. Cheap for cash or good note. Inquire at Marshall's blacksmith shop, opposite Pendleton Hotel, Pendleton, Oregon.

THOSE knowing themselves indebted to me will please come forward and settle in part or whole at once, or I shall leave accounts in attorney's hand for settlement.
May 29, 1880 DR. W. WHITCOMB.

MOSE BARUH left for LaGrande Thursday morning, to look after his land claim, at the U. S. Land office, as some one had contested it, and in Mose's absence had taken possession thereof.

CAPT. W H. MOSS, late of Missouri, who has been looking at the country, took his departure, last week, for Albany, for his family. He intends returning at an early day to this county and locating among us.

J. G. JUSTICE, of Walla Walla, reached home last Wednesday, from Kansas City, Mo., with Thomas and wife, the alleged murderers of Brumfield and mistress, last winter, in W. T. They deny knowing any thing about the affair.

WORK FOR ALL.—General Sanford has taken a contract to feed the public, and wants 1000 males, 2000 females and 500 children boarders monthly, to eat up his supply of provisions and occupy his beds. Single day contracts let for transient applicants. Cash the only qualification required.

OWING to the recent accident occurring to Mr Arnold, he is unable to survey the roads he was appointed to survey by the county court He will answer have some one to attend to the matter for him, from this day forward, in order to save to the county the expense of making new appointments.

WHEELER BROS., agents for D. M. Osborne—agricultural implements—harvesters, established themselves at Pendleton, where they can always be found with a full supply of farm machinery, wagons, buggies etc. They have built them a nice sang office on Main Street and will be happy to show their goods at any time.

ED SHARON, it seems, is in the habit of sampling everything that comes in his way While at Weston the other day we understand he got hold of Mr Robey's cane and sampled it, indeed soundly "chawed" it Don't ask Ed of what material the cane was composed, for he says he don't think that was any joke and he may bellow.

The nice young man of the *Independent* says he is very anxious to have the Republican candidates for Clerk, Sheriff, County Judge and Commissioners elected, for he says then the *Independent* would get the county printing. Voters, is that a sufficient reason for electing Republicans? We think not and believe you will so decide on the 7th of June.

ARTHUR WEBB says if he don't know how to keep the County Treasurers office he can sell more and better hardware, stoves, pumps, tinware, guns, pistols, cartridges, etc., than any newspaper yahoo in Pendleton and if you don't believe it, go around and see him and you will be convinced that Webb's is the place to buy anything in his line, good and cheap.

BAD LUCK.—T. P Branan and another man whose name we have not ascertained, deposited about $21,000 in an Elko Nev Bank and came to this vicinity to buy cattle. On the 19th inst., while at Walla Walla, Mr Branan learned that the bank had broke and he and his partner were left penniless Mr B started last Monday morning to look after the affair. Mr. P. Freeman is the name of the banker but if he gets his dues he will be a Freeman no longer.

MR. FOLSOM has put his new shop in splendid style. Has it nicely painted and the front nicely lettered. He is A No 1 mechanic, as all who know him are well aware and he don't intend to hide his light under a bushel. Robt. Lane did the painting and lettering, and we venture there is not a better job this side of San Francisco In fact Bob is the best painter this side of that city without any exception. Go to his shop in old postoffice building and see some of his work.

J. F. DUNN, "the builder" employed by A. Jacobson to erect the new hotel on Jacobson's corner, put a force to work last Thursday morning, to tear away the old building and rubbish, preparatory to commencing the work In our next we hope to be able to give a full description of the new building, and assure the people it will be a "daisy." This is an institution Pendleton has long stood in need of, as the hotels we have at present are wholly insufficient to meet the demands of the public.

IT HAS got to be a custom of certain parties to bring their wild bucking cayuses to Pendleton to ride in the streets. Some one will be run over and hurt one of these days, and then perhaps our officials will try to put a stop to such a practice. It is made the duty of the sheriff to arrest men for riding through the streets or on other public highways, faster than six miles an hour and we hope to see the matter looked after, as it is dangerous for persons, especially women and children, to walk the streets.

Democratic Platform for Oregon.

The Democratic party of the State of Oregon in convention assembled, profoundly sensible of the important consequences depending upon the immediate result of their deliberations, do declare and reassert the principles of popular liberty and rights laid down by Washington, Jefferson and the other founders of the republic. We believe the tendencies of the Republican party to centralization and consolidation are contrary to the principles of our institutions; we think it unsafe, unwise and unsound, and that the issues formed by the war shall not be revived. We demand honest elections and an honest count of the vote. Never again by fraud or force shall the popular will be set aside by unscrupulous partisans. That we are unqualified opposed to any one holding the office of president of the United States for three terms.

RESOLVED 1. That we favor honesty, efficience and economy in every department of the government, state and federal.

2. That all property should bear its just proportion of taxation, and we favor the enactment of such laws as will accomplish this end.

3. That we favor the equal protection of the rights of labor and capital under just laws, thereby lessening the burdens and increasing the advantages of the working people.

4. That we claim as amongst the powers reserved to the states, the right to pass at any time by their legislatures, laws designed to prevent common carriers from making unjust discriminations against persons and places.

5. That we favor the maintenance of the public schools, the hope and pride of a free state.

6. That the Democracy demand free and fair elections, and to that end denounce all interference with elections by the military power; that the experience of this and other countries now abound only proved that the presence of troops at the polls to destruct or at the freedom of elections and is incompatible with the existence of free institutions.

7. That the efforts of the Republican party to open and keep alive the war feeling between the north and the south are to be condemned by every lover of his country.

8. That we favor continued lawful agitation on the subject of mongolian emigration to this country, until the federal government is moved to modify our treaties with the Chinese empire so as to prohibit it, and thus save those of our fellow citizens who depend upon labor for support from unjust and degrading competition. We condemn and denounce in the severest terms the veto of R. B. Hayes of the bill limiting Chinese immigration to this country, and this experience shows that the people have no hope for relief from the scourge except from a Democratic president.

9. That we regard with alarm the recent decision of the supreme court of the United States as it may have been made in the interest of the Republican party, and is calculated to blot out the last vestige of state rights, centralize and consolidate the federal union, and change it to an empire.

10. That we bail to the constitution with all its amendments, but we insist on an interpretation of the amendments in consonance with the spirit of the original instrument.

11. That we pledge our earnest endeavors to upholding a system of unstammeled suffrage absolutely free from federal force and supervision.

12. That the Democracy oppose all favoritism and class legislation. No single interest or class of persons should be protected at the expense of others.

13. That we are opposed to any and all protective tariffs, and are in favor of a tariff for revenue only, and we pledge the Democratic party to abolish all such methods upon consumers as soon as practicable.

14. That we recognize gold and silver as the only constitutional currency, and the only real money, but we regard any further contraction of the paper issues of the Government, as uncalled for and imprudent in the present financial condition of the country.

Umatilla County Platform.

We, the Democracy of Umatilla county, Oregon, in Convention assembled, believing that this is a Democratic Government founded upon Democratic principles, and that the perpetuity thereof depends upon the success of the Democratic party, do hereby submit the following resolutions to the voters of this county:

1. That we cordially invite all, regardless of past political affiliations, to participate with us in the support of Democratic principles.

2. That we deprecate the move now being made by the enemies of the Democratic party in this county to cause sectional strife upon local issues for the purpose of dividing the party.

3. That all questions of political interest or public utility and importance can better be adjusted in and by a harmonious action of the Democratic party than in any other manner, and that we have full confidence in the wisdom and integrity of the Democracy of this county to legislate upon all questions of public importance appertaining to the general welfare of said county.

4. That wisdom and justice dictate that that line of policy should be pursued which will result in the greatest good to the greatest number, and that we therefore ask that our representatives, if petitioned so to do, at the coming session of the legislature, labor for the passage of an act submitting to a vote of the people the question of dividing the county.
