Sale Continues Until February 1st

CLEARING SALE STARTS

JANUARY 3, 1903

Saturday, January 3d, we will commence our 15th Annual Clearing Sale, which will continue until February 1st. It will be conducted in the same thorough manner as our fourteen previous sales have been. Every article in our immense stock will be reduced in price, excepting such few items which the makers control. This store is noted for its many special bargains all through the year, but so well known has our Clearing Sale Bargains become during the past fourteen years that this annual sale of ours is regarded by the people generally as the Greatest Bargain Time of the whole year, and shrewd buyers take this opportunity to supply themselves, largely for future use. Every one of our previous fourteen Annual Clearing Sales have given unbounded satisfaction to our customers, but this is to be the GREATEST EVENT of them all. Our stock was never so large before and it is our determination to celebrate this Fifteenth Anniversary of our Bargain Sales with the greatest aggregation of bargains this county has ever known. While this Sale will continue until February 1st, we ask all to come as early as possible and secure first choice. We name below a few of the many bargains. The whole store is filled with others just as attractive.
