Benefit of Inquirers-Taxes Become Delinquent First Monday in April-Three Per Cent Rebate for Early Payment. Many inquiries are being received at this office in regard to the present law relating to the payment of taxes. For the Lenefit of these and others

interested, that section of the code relating to this subject, is published. Senator Walter M. iPerce has inroduced a bill in the legislatre, changing the time for the payment of taxes from March 1, to the fall of the year, immediately after harvest, when money among all classes of tax-payers is more plentiful. Another bill has been introduced LARGER ACREAGE OF WHEAT. which proposed to remove the three

per cent rehate on taxes paid before Walla Walla and Palouse Farmers March 15. The argument of the advocates of this bill is that taxes are due the county in full, and that this ment, which must be made up ther ways, and does not benefit a great majority of taxpayers who are that gets your lungs sore and weak coming delinquent. Farmers are taking great interest The section is as follows:
