NEGRO QUESTION SERIOUS.

"The negro question is rapidly nearing a crisis. It is likely to result in the forming of a 'Lily White' party in the north as well as in the south. The proclamation signed by Abraham while waiting for the slow process of good roads for the country and good Lincoln gave freedom to the white man as well as to the black man. That the latter is on the border of a serious complication is due to what is termed the massing of the colored

"Once you get the negro convinced that he has the balance of force at the election, he will demand that that make up the principal wealth of which he is allied. He will also demand large concessions.
