WOMEN'S SYMPATHY

Is Proverbial-Pendleton Women No Exception.

How much we owe to the sympathetic side of womankind: When others can be suffer they cheerfully lend a helping a crew of 20 harvest hands, Mr. Bersulf against the O. R. & N. Company know of its falling. If so, somehand. They tell you the means which ryman would have lost 500 sacks. The for the recovery of \$3,370 damages thing more serious is the matter with the United States, principally on acbrought relief to them that they may origin of the blaze is unknown. It is due to injuries received while in the profit by teir experience. Read the first wheat blaze reported this employ of the company. testimony given here by a Pendleton season.

Mrs. L. Hodson, of 717 Aura street, says: "While my kidneys have never caused me any trouble which made itself apparent in the kidneys themselves nor in the secretions, I have been bothered more or less by an aching across the small of my back, then down and through my kidneys. When caught cold it hurt me across my loins and made me feel lame and sore. I got a box of Doan's Kidney Pills at the Brock & McComas Co. drug store and used them. While I did not take them according to directions, be ing a poor hand to dose myself with medicines at all, they benefited me in every way, making my back stronger, and toning up my whole system." For sale by all dealers. Price 50 cents per box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name-DOAN'Sand take no other.
