DEVELOPED BY FINDLAY. WITH HILL FOR SUPREMACY

ary Line She Now Claims, and Buys two Monster Steamers to Ply Between Sound and Orient-Francisco Lines Will Meet Any Cut in Rates.

Seattle, Sept. 26. - Trans-Pacific steamship officials at this port have at last come to the conclusion that day. This afternoon D. P. Watson, E. H. Harriman of the Southern Pacific will use one if not both of the new steamships he purchased retion company to compete with the two mammoth steamships of James J. Hill in the Oriental trade.

Harriman's new boats are the Mon

golia and Manchuria. The former was launched about ten weeks ago. The Manchuria is soon to be launched. They each cost \$1,750,-000, having a length of 615 feet. They have a gross tonnage of 13,500 and a passenger capacity of 350 first cabins, 68 second cabins and 1,300 steerage. One of them, with the Korea and Siberia now in use will man to prosecute Senator Green in be the Pacific Mail's San Francisco press of other business. The real The other new one, with the China reason is believed to be reluctance to and Peking will make direct service prosecute a personal and political to Manila, it being the belief of Harriman and his associates that within eighteen months the government will withdraw from the business of Baker City, Sept. 25.-Hugh As a common carrier to the Pallippines. As the time approaches for Hill to put into service the Minnesota

> It is believed here that the power of the Great Northern, Northern Pecific and Burlington roads, which Hill has merged into the Northern Securities company, to gather freight in this country for shipment to the Orient will be more than a match for the Harriman roads with he Santa Fe and connections. He an make very low rates from the East to Seattle in order to bring back loaded many cars that are now hauled empty from the East. But even so, it is admitted that o matter what rates Hill may make they will be met by the railroad-

steamer lines via San Francisco, which have a fighting chance at least to w'n out toa. San Francisco TO FORCE RIGHT OF WAY.

State Will at Once Proceed Against the O. R. & N. Salem, Sept. 25.-Pursuant to intructions from the board of portage railway commissioners, the atterneygeneral will proceed at once to bring suit against the O. R. & N. Co. or right of way for the portage road. According to the maps of State Engineer A. E. Hammond the portage survey encroaches upon the O. R. & N. property about one mile, and the nearest approach to the track in all

this distance is 35 feet for a very hort space, The board will bring the matter to a finish as quickly as possible so work can begin upon the construction of the road that it may be comeleted for next year's wheat crop.

Private Theater Burned, San Francisco, Sept. 26 .- Fire tolay destroyed the private theater and ballroom in the residence of M. H. DeYoung. It also destroyed bricbrac and pictures worth over \$10,-000. Two firemen were hurt. The main building was uninjured.

Wireless Oceanic Telegraph New York, Sept. 26 .- The Lucania, examination of the accounts of Geo. more are general of a mutiny among which arrived today from Liverpool,
