**CUTICURA SOAP** 

### The World's Greatest Skin Soap.

#### The World's Sweetest Toilet Soap.

Sale Greater Than the World's Product of Other Skin Soaps.

#### **Sold Wherever Civilization Has** Penetrated.

Millions of the world's best people use Cuticura Soap, assisted by Cuticura Ointment, the great skin cure, for preserving, purifying and beautifying the skin, for cleansing the scalp of crusts, scales and dandruff, and the stopping of falling hair, for softening, whitening and soothing red, rough and sore hands, for baby rashes, itchings and chailngs, for annoying irritations, or too free or offensive perspiration, for ulcerative weaknesses, and many sanative, antiseptic purposes which readily suggest themselves to women, especially mothers, as well as for all the purposes of

the toilet, bath and nursery. Cuticura Soap combines delicate emollient properties derived from Cuticura, the great skin cure, with the purest of cleansing ingredients and the
most refreshing of flower odours. No
other medicated soap ever compounded
is to be compared with it for preserving, purifying and beautifying the skin,
scalp, hair and hands. No other foreign or domestic toilet soap, however
expensive, is to be compared with it for
all the purposes of the toilet, bath and
nursery. Thus it combines in one soap
at one price the most effective skin and at one price the most effective skin and complexion soap, and the purest and aweetest toilet, bath and nursery soap
