Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood. It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern but now modern science proves that nearly all diseases have their beginning in the disorder of these most important

organs. The kidneys filter and purify the blood-

that is their work. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial

will convince anyone. If you are sick you can make no mistake by first doctoring your kidneys. steads on the land, and, while they October The mild and the extraordinary effect of say nothing about their intentions, formed.
